### Schenectady Boy Took 22 Autos, Troopers Report

Fugitive Is Arrested  
at Catskill in Car  
of Saugerties Man;  
Gave Story

A 13-year-old boy, Fred Lewis, of Schenectady, was picked up yesterday afternoon by State Police at Catskill after it had been reported that the Chevrolet coupe of Vincent Rindoli of Saugerties had been stolen from the village shortly after 4 o'clock.

According to the state troopers the boy told of having taken a total of 22 cars in a short time. Investigation showed his story was correct.

The lad was apprehended on the outskirts of Catskill as he was driving north in the Rindoli car. He was turned over to the Schenectady police. Local State Police were notified earlier in the day to look out for the boy who had escaped from officers while being taken to Children's Court in Schenectady.

Apparently after the boy broke away from the police he took a car in Schenectady, drove it to Albany where he deserted it just south of the city. He took another car, drove that south a short distance and after wrecking it he hid behind a Cossack and Saugerties. At Saugerties he decided to go back north and took the Rindoli car, but was halted by the troopers at Catskill. At Catskill he decided to tell a story of crime which at first the officers did not believe but later they found it to be correct.

### L. C. Dunne Sends His Resignation

Letter Referred to Fire  
Directors; Ball Is  
Tomorrow Night

More than 250 attended the monthly meeting of the Ulster County Volunteer Firemen's Association in the firehouse of Kimble House Co., Ellenville, Tuesday night, when the main order of business was discussion of the county convention to be held in Kingston July 26 and 27, and hearing the resignation of L. C. Dunne as president of the association.

No definite action was taken on the resignation of President Dunne at the meeting, his letter being referred to the board of directors for their consideration. It was a brief resignation note, without an explanation. However, in quitting the chairmanship of the convention committee several weeks ago, President Dunne asked to be relieved, because his job as toll collector on the Poughkeepsie bridge demanded his time.

The firemen were enthused over prospects for a lively convention on the July dates, and manifested approval of the way Fire Chief Joseph L. Murphy and Peter Keresman are preparing for the Firemen's Ball to be held at the municipal auditorium tomorrow night. Proceeds will go towards paying for the convention.

All-Star Performers  
Chairman Keresman of the entertainment committee assured the meeting that the eight acts he had booked for Thursday's event would feature all star performers, Johnny Burke, famous comedian billed as "the private pilot over World War I," and Richard Dixon, musical comedy dancer, heading the list.

Paul Zucca's augmented orchestra of Kingston will play for assembly dancing after the show. Tomorrow night the auditorium doors will open at 7:30 o'clock. The show is to start at 8 o'clock and last more than an hour.

In order to check on final arrangements, the ball committee will meet in the auditorium tonight at 8 o'clock.

Flower girls at the ball will be: Anna Barnes, Katherine Smith, Hilda Sills, Charlotte Olsen, Joyce Carr, Jackie Martin, Joyce Brines, Carolyn Jablonski, Gloria Janice, Eileen Fatherson, Janice Wolf, Jean Bilyou, Agnes Kearney, Dolores Capompoli, Betty Cadden, Rose Pepillo and Shirley Freer.

### Treasury Receipts

Washington, May 22 (AP)—The position of the Treasury May 20: Receipts \$100,558,435.56; expenditures \$116,955,724.59; balance \$19,602,712.97. For month \$26,927,788.42; receipts fiscal year July 1 \$37,295,628.57; expenditures fiscal year July 1 \$37,295,628.57; excess of receipts \$0.00. For previous day \$41,697,428.57; gold assets \$20,245,241.34.

### Four Persons Face Panel on Nylons; 4 Women Give Butter Story

Black market nylons and illegal "tie-in" sales for scarce butter rations — the bane of women throughout the nation — received the attention of the Price Control Panel of the Kingston Rationing Board at its weekly hearing yesterday at the municipal auditorium.

With evidence mounting against the clandestine nylon traffic, members of the Panel launched an intensive investigation that is expected to reach wide aspects before the inquiry is completed.

A protest case against "tie-in" sales—a procedure wherein a customer allegedly is forced to spend a minimum amount of money before he can secure a quarter pound of butter or a comparable unit of meat—was opened yesterday, but absence of the defendant precluded final action in the hearing.

Warning Is Issued  
Panel officials, issuing a sharp warning to all local food and meat retailers, said the test case had grave implications, and if testimony submitted is substantiated it would expose a nefarious practice that is allegedly prevalent in many Kingston markets.

The complainants were four women who testified that they visited a local market and purchased orders under \$3. Although the market had butter for sale, the women alleged, they were denied a quarter pound because they had not purchased at least \$3 worth of items.

The clerk at the store, the women testified, informed them that they could have butter if they bought at least \$3 worth of goods.

Woman Buys, Gets Butter  
Three of the women abandoned further efforts to secure butter, but the fourth purchaser filed a protest with the O.P.A. and then returned to the market where she purchased \$3.60 worth of goods. It was then, she said, that the clerk gave her a quarter pound of butter.

Four persons charged  
Price panel officials intimated they were marshalling enough evidence to strike death blows at the local illicit nylon trade within the next few weeks.

Four persons allegedly involved in the sale of nylons over the ceiling price were questioned by the panel. All were charged with violating O.P.A. regulations in not filing price schedules with the local office and selling over the ceiling price.

One of the biggest sources of black market nylons filtering into Kingston was revealed during the questioning of one of the principals in yesterday's hearing. The elaborate setup, allegedly included a lucrative out-of-town source of supply and a well organized group of "agents" who distributed the nylons.

Did Not Recall Price  
During the testimony the woman involved said she did not recall the price she had paid for the nylons and could not remember the names of the stores supplying her. Others flatly denied any connection with the nylon black market.

Panel officials made extensive inquiries but took no official action. The tempo of the investigation will be stepped up considerably within the next week.

### 'Old Guard' Polls Huge Majorities in Pennsylvania

Philadelphia, May 22 (AP)—Pennsylvania's Republican organization, attacked in a bitter primary campaign as "one of the strongest centers of Old Guard strength in the nation," rolled up smashing victories yesterday over so-called "New Guard" candidates and independents.

G.O.P. winners were Attorney General James H. Duff of Carnegie for governor; Governor Edward Martin, U. S. Senator, Brig. Gen. John S. Rice of Gettysburg, for lieutenant governor, and William L. Livengood, Jr., of Somerset for re-election as secretary of internal affairs.

The Democratic organization, meanwhile, nominated for governor former Air Corps Colonel John S. Rice of Gettysburg. He was the only state-wide Democratic candidate who had opposition

(By the Associated Press)  
Chinese government forces today claimed they had entered Kungchuling, halfway between Szejingkai and their goal, the Manchurian capital, Changchun. Communists countered by closing in on Chaoyang in southeastern Jehol Province and Tsinan, capital of Shantung.

Frontline dispatches relayed from Mukden reported elements of the government's new first army reached Kungchuling, 40 miles south of Changchun, last night and that advance units today pushed seven miles further north.

Although government dispatches said National troops had "entered" Kungchuling and that advance units had pushed on north, it was not clear whether they had captured or by-passed that strategic city. Recently, government dispatches claimed the capture of Szejingkai but later reports showed they held only the southern part of the city. They required many days more to capture it.

With Changchun almost within artillery range, government Gen. Tu Li-ming issued a press statement expressing hope that "the bandit force" (Communists) would "repent" and give up the capital to the Nationalists to avoid extensive destruction.

The Communists shelled Changchun rather heavily as they captured it in an intense, four-day battle five weeks ago.

Mukden dispatches said the government's new first army was advancing along five routes through and around Kungchuling. Units of the west route reached Chunchiatien and Liaoyuan, 63 miles west of Kungchuling. The north route force reached Shwangshan, 50 miles west and slightly north of Kungchuling. The east route group captured Yitong, 30 miles west. The southeastern route unit captured Hsian, 45 miles west of Szejingkai.

### Diplomats Look For Vital Rulings

Three Issues Affect  
Course of Events;  
Up to Stalin

Washington, May 22 (AP)—Diplomatic authorities here looked today for a series of historic foreign policy decisions by Moscow in the next three weeks affecting the whole immediate course of post-war events.

They believe Premier Stalin and Foreign Minister Molotov will do the deciding before June 15—the date the foreign ministers' conference resumes in Paris—and thereby determine the extent of future Soviet cooperation with the United States and Britain in making the peace.

These are the critical issues on which the Kremlin now appears confronted with decisions.

1. Do the Soviet leaders consider it more important to keep Red occupation armies throughout eastern Europe or to get eastern European countries on a peacetime basis with regular treaties concluded?

2. Are they willing to make a settlement of the Trieste dispute which would fail to give Yugoslavia that entire strategic area?

## Rail Brotherhoods Say They Have Given 'Final Proposition'; Officials Say Seizure Of Coal Mines Lessens Effect on Policy

Lewis Must Now Deal  
With Government  
on Wage and Welfare  
Fund  
May Affect Many

Higher Coal Prices May  
Hit Many Items, U. S.  
Fears

Washington, May 22 (AP)—Government officials who feared John L. Lewis might scuttle the administration's wage-price policy expressed belief today that federal seizure of the soft coal mines has lessened that possibility.

These officials, who withheld use of their names, told a reporter that since the United Mine Workers' boss now must deal with the government on a wage and welfare contract, the odds are against a price-shattering agreement.

They said a coal price increase, averaging perhaps 30 cents a ton or more, is a foregone conclusion. But they do not expect this to touch off a general round of price hikes for consumer goods as did the steel price increase granted in February.

Saying that the price of coal is a small factor in production cost, these officials noted that fairly sizeable increases in the past have had little effect on the prices of things made by coal users.

But they do fear that higher prices for coal might aggravate another situation which could lead to higher prices for many consumer products. This is the railroads' pending request for a 25 per cent increase in freight rates.

Such an increase has been opposed by Stabilization Director Chester Bowles and O.P.A. Administrator Paul Porter, who told the Interstate Commerce Commission it would jeopardize the stability of the economy.

A coal price increase presumably would strengthen the case of railroads because they are major coal consumers.

As for coal wage negotiations, stabilization officials breathed easier when Secretary of Interior Krug took over the job of writing a contract with the miners.

Bowles reportedly had been worried lest the mine operators sign up with Lewis on terms that would blast the wage-price policy wide open. But Bowles still has his fingers crossed because he had no part in previous government discussions with the union and the operators which may have led to some commitments.

The stabilization chief, who has discussed his views with Krug, is known to have held all along that the miners should be granted a wage increase of no more than 18½ cents an hour. Inasmuch as this has been the general national pattern, he has felt that a bigger increase would open the way for another round of wage hikes and price rises.

Without mentioning any figure, Krug told a news conference yesterday that whatever contract is worked out must comply with the wage-price policy.

On the Lewis demand for a welfare fund, stabilization officials reportedly are taking the stand that the seven per cent payroll levy sought by the U.M.W. president is excessive. Some of these officials are contending a tax of two or three per cent is all that should be allowed.

The reason for this is that such funds, if they meet government specifications, may be taken into consideration by O.P.A. for price purposes. On top of a wage increase, this might boost coal prices another notch.

By HAROLD W. WARD  
Krug, Morell Are Bosses  
Two wartime naval officers took over the nation's soft coal mines today and waited eagerly for a sign from John L. Lewis that his 400,000 union members will stay on the job.

Government seizure—which raised the American flag over 4,300 pits—was announced by the White House in an urgent bid to keep alive the two-week strike, now set to expire Saturday night.

President Truman designated Secretary of Interior J. A. Krug, bulky 38-year-old former naval lieutenant, as federal mines administrator. To aid Krug, he assigned the hard-hitting boss of the wartime Seabees—Vice Adm. Ben Morell, who ran the oil refineries after a similar seizure step last year.

The lieutenant and admiral (his ranks now good-naturedly reversed) went to work on their major mission at once—to avert resumption of the strike next Monday. After that comes the task of settling the coal contract dispute.

### Blight Has Struck Hedges and Trees In Portion of City

Samples of Vegetation Go  
to Farm Bureau; All  
Green Leaves Turn  
Rusty Brown

Property owners in the Ponckhockie area of the city are alarmed over the ravages of the mysterious blight that has struck the hedges, shrubs, trees and vegetable plants in that area during the past week.

Samples of the vegetation will be taken this week to the office of the Ulster County Farm Bureau in an effort to ascertain the cause of the blight.

All green leaves have been blistered a rusty brown, and the blight has attacked not only fruit trees, but ornamental trees as well.

Barberry hedges have been badly stricken. Property owners say that when the shrubs are shaken the leaves and berries fall off.

Vegetable plants that have been set out this year have also been attacked by the blight and the green vegetation is turning brown.

One property owner said today that the blight first made its appearance the early part of last week.

As far as could be learned the blight appears to be confined to Ponckhockie.

### Tuxedo Woman Wins Over Bennett

Goshen, N. Y., May 22 (AP)—The Orange County Republican Committee last night endorsed Mrs. George B. St. George of Tuxedo Park as Republican candidate for Congress in the 29th Congressional District.

Mrs. St. George, a cousin of the late President Roosevelt and chairman of the Orange County Republican Committee, was endorsed by a vote of 209 to 14 over Rep. Augustus Bennett.

Bennet was elected to the post two years ago, defeating Hamilton Fish, Republican. Bennett ran as a Good Government candidate and had the support of the Democrats, American Labor party and Liberal party.

The 29th Congressional District embraces Orange, Rockland, Sullivan and Delaware counties.

The committee approved a resolution, offered by Fish who supported Mrs. St. George, that it would oppose any Communist nominee who accepted support of any left wing or Communist-controlled groups.

Rejected was an amendment, proposed by Henry Hirschberg of Newburgh, former Orange County District Attorney, resolving that the committee would not endorse a candidate who has or had the support of Nazi sympathizers, German-American Bund, Ku Klux Klan, Christian Front, Fascist, Gerald L. K. Smith or any group practicing discrimination.

## Ala Says He Believes Iran Complaint Holds

Iranian Ambassador to the United States  
Appears Before Security Council; U. S.,  
Britain Say Report Incomplete

New York, May 22 (AP)—Hussein Ala, Iranian ambassador to the United States, told the United Nations Security Council today that he believed Iran's original complaint of interference by Soviet Russia "is still on the agenda."

Ala was invited to a seat at the council table on the request of the Netherlands delegate, Dr. Eelco Van Kleffens, after the United States and Great Britain had joined in a demand to keep the Iranian case on the agenda until a complete report has been made.

The ambassador said that Premier Qavam of Iran had asked that the question of Soviet withdrawal of troops from Iran be dropped.

But, Ala added, the Premier in his instructions had said nothing about withdrawing Iran's other complaint, that of Soviet interference in Iranian affairs.

Russia's seat at the Council table was empty as the Council met to decide what to do about Iran's case.

Dr. Oscar Lange, Polish delegate, charged that the Council's attitude on the whole affair has served to make Iran "a perpetual football of big power politics."

Ala said he believed "it was long after May 6 when all of the Soviet troops were withdrawn from Iran—if they are actually out now."

He submitted a report from Premier Qavam last night saying Russian troops had left Iran by May 6.

Edward R. Stettinius, Jr., U. S. delegate, and Sir Alexander Cadogan, of Great Britain, termed the Iranian report to the Council that Soviet troops were out of the country by May 6 "incomplete" and "not the conclusive evidence that we felt was to be submitted to the Council."

Taking the floor just after the Council had heard an Iranian report that all Soviet troops had left Iran by May 6, Stettinius said:

"The Soviet government has

## Test Ships Leave Hawaii For Bikini Atoll Stations

Aboard U.S.S. Mt. McKinley,  
May 22 (AP)—The biggest group of test ships yet to leave Pearl Harbor sailed today for Bikini lagoon to be swept by atomic-bomb fire, blast and "very high waves."

Ten target and support vessels headed by this flagship of the task force commander, Vice Adm. William H. P. Blandy, were ordered on their way today.

Only a handful of the larger target ships were left in Pearl Harbor, including the veteran carrier Saratoga and the former German heavy cruiser Prinz Eugen.

Blandy told newsmen before boarding his flagship that scale-model experiments "indicated that very high waves" could be expected in the second test at Bikini when an atomic bomb is exploded by radio impulse some 18 to 180 feet beneath the surface.

The first test, an air-dropped

bomb, is scheduled July 1; the second, as soon thereafter as possible.

The sub-surface bomb will be suspended in a container hung beneath a barge, and will be detonated by radio impulse from a ship 20 miles away. The bomb will be at least 18 feet below the surface, he said. Greatest depth of the lagoon is 180 feet.

### Whitney Says Union's Officials May Talk With President at White House

Says It's 'Better'

Whitney Declares New  
Proposition Tops the  
Others

Washington, May 22 (AP)—Railroad brotherhoods said today they had submitted to the government a "final proposition" for settlement of the rail strike and may confer during the day with President Truman.

A. F. Whitney, president of the Trainmen's Brotherhood, told a reporter that Dr. John R. Steelman, presidential labor adviser, had advised him this morning by telephone that the brotherhood officials may be invited to the White House. Whitney said he is waiting to hear further from Steelman as to what time.

The strike of 250,000 engineers and trainmen is set for 4 p. m. (local Standard Time) tomorrow. "We gave Mr. Steelman a 'final proposition,'" Whitney said. "It is better than any we have submitted yet."

Whitney declined to give any details, saying, "you'll have to ask Dr. Steelman about that." The 33-year-old leader said it was the second offer made since the two brotherhoods scaled down their wage demands from an original minimum of \$2.50 a day and 25 per cent generally to a minimum \$1.44 per day with a general 18 per cent wage boost.

"We now are waiting to hear from the government whether the new offer is acceptable to the carriers," Whitney said.

A spokesman for the carriers told newsmen that his group has neither heard from Dr. Steelman today nor had any word of a White House visit. Whitney said he did not know whether Steelman would invite only the brotherhoods to the White House or both the carriers and brotherhoods.

Most Troublesome Features  
Negotiators said solution of the dispute would be relatively simple if only wages were at issue. One of the carrier spokesmen described brotherhood demands for changes in 45 working rules as "by far the most troublesome feature in the whole picture."

Working rules are the stipulated conditions under which railmen perform their duties. Among changes proposed by the Brotherhoods of Locomotive Engineers and Trainmen are that the carriers pay for all uniforms and reimburse men for time lost during depot and switching delays and stopovers.

The carriers estimate the proposed rules changes would cost them \$800,000,000 a year. They have agreed to pay the 16-cent hourly increase for all their 1,400,000 workers as recommended by fact-finding boards functioning under the Railway Labor Law. They estimate this would cost them \$19,000,000.

The Brotherhoods, however, demand an 18 per cent wage boost, with a \$1.44 daily minimum increase. The carriers calculate this will amount to a 20-cent hourly increase per man and cost them about \$775,000,000.

Steelman told reporters he still was trying to work out a compromise between brotherhoods' demands and the fact-finding recommendations. In this he reported making "perhaps a little progress" but "not much."

Are Making Progress  
Presidents A. F. Whitney of the trainmen and Alanvey Johnston of the locomotive engineers said in a statement "we hope we are making progress toward a settlement, but a carrier spokesman commented privately "it looks awfully forlorn to me: Those fellows are adamant."

The government appeared to have little hope of winning an extension of the five-day truce, arranged by President Truman Saturday, a day after he seized the railroads and placed them under government operation.

The Brotherhoods claim they can go ahead legally with their strike at 4 p. m. (Local Standard Time) tomorrow, even though railmen are now working for Uncle Sam, because their walkout was formally arranged before the government took over. They contend the wartime Smith-Connally Act penalizing strikes against the government applies only to strikes promoted after federal seizure of an industry or enterprise.

## Mt. Marion Woman Reports Attack by Unidentified Man

Says He Struck Her Early Monday Morning After Halting Her Car on Way to Job

Saugerties police and state troopers from the Lake Katrine barracks are hunting for an unidentified man reported to have assaulted a Mt. Marion woman, early Monday morning, while she was on her way to work.

According to her complaint to the police, Martha Loeser said she was driving her model T Ford truck slowly along the Church-land road, town of Saugerties, between 6:30 and 7 a. m. en route to her job at the Tissue Mills in Saugerties.

The man sprang from the roadside and yelled that there would be no work at the mills. She stopped to ascertain why. Approaching with the remark that she "would not work at the Tissue Mills any more," he struck her in the face and disappeared.

Dr. B. W. Gifford treated the woman for her injuries. Since the police had only a meagre description of the man, they had not made much headway up until late today.

## Police Chief Boss Will Have a New Office in City Hall

A new office is being prepared for Police Chief Ernest A. Boss, and his detective staff, in the city hall.

The large room across the hall from police headquarters utilized during the war as an air raid control center, is being renovated for the purpose.

Painters are redecorating the new office, which at one time was a recreation room for the members of the police department before the war organization moved in.

Detectives Wesley J. Cramer and Clarence W. Brophy are the two members of the department who will occupy the office with the chief.

The former police chief's office is to be used by Captain Frederick Stoudt and the two police lieutenants, Raymond Van Buren and William J. Leonard.

With the new set-up, Chief Boss will have better arrangements for conducting private police business, for questioning suspects and meeting persons who call on the department for assistance.

## Chicago Mother Has Changed Her Mind

Burlington, Ia., May 22 (AP)—A young Chicago mother who yesterday left her nine-day old son in a hospital and boarded a train for California after leaving a note to her husband indicating disappointment because her baby was not "a sweet and pretty little boy," has changed her opinion.

The mother, Mrs. Marjorie Ashe, 20, was reunited with her husband James, 27, at the police station last night after he flew here following her telephone call.

"She's been sick," Ashe said as he embraced his wife. "But she's all right now. And we both think we've got the most beautiful baby in the world."

Mrs. Ashe, in the note left at the hospital for her husband, said she "couldn't bear to think of taking him home and showing him to everyone. I think it would have eaten my heart completely away."

O, if God had just made him cute, how happy we would have been."

Ashe said his son was a "perfect baby" without a birthmark or a blemish.

without shattering the government's wage-price policy.

The bushy-browed United Mine Workers' chief—obviously with the consequences of the Smith-Connally War Labor Disputes Act in mind—told Krug and Morell yesterday that the question of working was one for each individual miner to decide.

But, Krug related, Lewis agreed to defer until consideration a request for "support."

## Will Go to Operators

The new mine boss emphasized at a news conference that what- ever contract the mine administrators work out—be it a piece or otherwise—will have to be submitted to the operators before the agreement can be completed and the mines released to their owners.

Lewis never has made known his specific wage views. The operators have offered him the 18 1/2-cent hourly pay increase won by the C.I.O.-Steelworkers and C.I.O.-Autoworkers after strikes.

Ahead of wages, however, Lewis has placed his demand for a seven per cent payroll levy for a union-administered health and welfare fund, which the operators estimate could net the union \$70,000,000 annually. It is Lewis's most controversial point.

Krug said last night the government would know better what to expect by tonight or tomorrow night. This would include an understanding on Lewis's position forward appealing to the miners to remain at work Monday. The union leader "made no promises, and we requested none," Krug said.

The administrator emphasized that whatever contract eventually is written will have to comply with the government's wage-price policy.

## Red Cross Driver Shot Four Times On Malmedy Road

Dachau, Germany, May 22 (AP)—An American ambulance driver who helped wounded Germans in Normandy told today how enemy troops ignored his Red Cross insignia and shot him four times after he surrendered at the Malmedy crossroads December 17, 1944.

Glaring at 74 SS war crimes defendants, Samuel Dobyns of Sandusky, O., described to a U. S. military court the shooting of more than 100 soldiers as they stood with hands upraised in surrender in a field in Belgium during the Battle of the Bulge.

Dobyns was trapped by cross-fire that day and his ambulance was riddled by machinegun fire. He said he had just painted new Red Crosses on it.

He and his helper hit the dirt and the ambulance was wrecked against a tree. He surrendered to a group of German troops, he testified, and one private wanted to kill him on the spot.

"An officer told him not to shoot me," Dobyns said.

He walked slowly before the defendants, but was unable to pick out the officer.

Dobyns said he was lined up with perhaps 150 others, including five wearing Red Cross insignia. A pistol shot rang out and a man near him fell.

"I broke ranks and ran to the rear," he said. "Then I heard another pistol shot and others in the rear started to disperse. At least two machineguns opened up and we all hit the dirt. I was shot four times and there were eight or ten other holes in my jacket."

"I saw three or four German soldiers shoot the wounded that were crying for help. I thought I was the only one left alive."

After several hours, Dobyns and 15 or so others jumped up and ran to safety.

Dobyns said he could not identify the captors as SS men.

## Visiting Rooster Disturbs Sleep of Dr. Seeley's Friends

Residents of the area around Fair street and Maiden Lane can throw away their alarm clocks, it seems.

Reason: A friendly little bantam rooster has decided that early morning calls on the Rev. Dr. F. B. Seeley net him a desirable breakfast.

For several weeks, the rooster has been making his early visits, crowing loudly to let Dr. Seeley, and the neighborhood, know he's ready for his morning meal.

Dr. Seeley is becoming very anxious to find the owner of the rooster whose cock-a-doodle-dos are disturbing the slumber of those who frown on getting up with the chickens.

## Condemns 'Tolerance'

London, May 22 (AP)—The Archbishop of York, condemning "easy tolerance" of divorce, said today that adultery should not be considered an unforgivable wrong. "We must teach the duty of forgiveness," he said in a presidential address to the convocation of York. "It must never be taken for granted that an act of adultery has inflicted a wrong which can never be forgiven or remedied. Genuine forgiveness can heal deep wounds."

## Pepper Is Ready

Washington, May 22 (AP)—Senator Pepper (D-Fla.) declared today he is ready for a vote on labor disputes legislation—and in impatient Senate took that as a cue for an early showdown. Pepper, who has held the floor most of the time since debate began on the subject May 13, told a reporter he is willing now for the Senate to act.

## Waterman Paroled

## Y.M.C.A. Applications Are Third Filled

Applications are being received for the annual Y.M.C.A. Day Camp at DeWitt Lake, and Camp Director Louis Schafer, said today that the quota of the camp for the opening week on Monday, June 24, is more than two-thirds filled.

All indications, said Mr. Schafer, point to the fact that the camp will have a record season this year. More new applications from boys and girls have been received than in previous seasons, and many new faces will be seen at the camp this year.

Mr. Schafer said he was anxious to hear from all of the 1945 campers before the camp quota for the season is filled. He said that the camp could take care of 100 campers each week.

Miss Jean Hutton, who is a student at Keuka College will be in charge of the girl campers. Leaders working with Miss Hutton will be Jean Comstock and Lillian Heidkamp, of one or two others to be selected later.

Parents who desire to have their children attend the camp this season may obtain full information by telephoning the "Y" office. Applications and a camp folder giving details will be mailed on request.

## Officials Seek Ways to Prevent Further Crashes

New York, May 22 (AP)—Local officials and safety authorities sought ways today of obtaining federal and city regulations to prevent recurrence of the plane crashes into Manhattan's skyline which have brought death to 19 persons in less than a year.

Even as two army bombers began investigating the crash of a C-45 transport Monday night into the 58th floor of the Bank of Manhattan Company building — in which four army officers and a Wac lieutenant were killed — Fire Commissioner Frank J. Quayle announced he would confer with Mayor William O'Dwyer on the advisability of local legislation "to make it impossible for a recurrence of this type of crash."

City safety authorities also reviewed recommendations made after the crash of a B-25 bomber into the Empire State building last July, calling for a stricter supervision of air traffic over the metropolitan area.

Three fliers and 11 office workers were killed in the July accident.

At that time federal agencies were urged to adopt a ruling directing all aircraft to avoid congested sections of the city. Civil Aeronautics Authority officials here said last night the recommendations were understood to be under consideration in Washington, but thus far no change had been made in longstanding rules which simply require aircraft to maintain an altitude of at least 1,000 feet over all cities.

## Autopsy Will Determine Cause of Niven Death

Hollywood, May 22 (AP)—The report of an autopsy today was to determine whether an inquest will be held in the death of Mrs. David Niven, 28, wife of the English actor, who succumbed yesterday to injuries received when she accidentally plunged down a dark flight of stairs during a parlor game at Actor Tyrone Power's home Sunday night.

Actress Lilli Palmer, one of the guests, told a reporter they were playing "sardine," a child's game in which one person is "it" and must find all the others who hide together in a corner or closet. Miss Palmer, an English girl who knew Mrs. Niven during blitz days in England, said the actor's wife was chosen by a roll of dice to be "it."

She said the lights were turned out and Mrs. Niven started hunting, feeling in corners and opening doors. Miss Palmer said she apparently opened a basement door in a small hallway, lost her balance and plunged down 20 steps to the bottom.

Actor Niven met Mrs. Niven, the former Primula Rollo, during an air raid near Canterbury, August 3, 1940, while she was a W.A.A.F. officer and he was a colonel in the British army. A swift wartime courtship followed and they were married 10 days later. She came to Hollywood two months ago with their children, David, Jr., 3, and James Graham, six months.

Funeral services for Mrs. Niven will be held at the Kingston Hospital Monday evening at 8 o'clock, at 2 p. m. at his late residence, 44 Shufeldt street. Surviving are his wife, Mrs. Emma Schline Lowe, two sons, Kenneth M. and Harry F., one daughter, Helen M., two grandsons and one granddaughter.

## Red Cross Will Give First Aid Course in City

The local Red Cross Chapter plans to conduct a course in standard first aid in Kingston, beginning Wednesday evening, June 4.

The purpose of first aid training is to transmit knowledge and skills for the emergency care of the injured until a physician arrives, and to create an active interest in the prevention of accidents through the elimination of causes.

Those taking this course, including members previously qualified, will benefit by recent advances of medical science that have a bearing on emergency care of the injured. These medical conclusions, some of which are the result of wartime study and experience, are incorporated in the new Red Cross First Aid Textbook recently published and distributed to all Red Cross Chapters.

A qualified Red Cross first aid instructor will teach this 18-hour course, and upon successful completion standard course Red Cross first aid certificates will be issued. Those interested in taking the course are requested to call Mr. Evelyn D. Hubbard at the Red Cross office, telephone 4038.

Students at a press conference tomorrow morning. He appeared smiling and affable at the embassy and gave data about himself for the embassy files on Americans in the Soviet Union.

### Lutheran Men's Club To Give Prizes

The regular monthly meeting of the Men's Club of the Immanuel Evangelical Lutheran Church was held in the parish hall Monday evening. The club has been enjoying a steady growth since the return of the servicemen and now numbers 55 members.

It was voted to purchase a new mimeograph for the club. A committee consisting of George C. Bode, chairman, Charles Perri, Jr., and George Studt was selected to make arrangements for an entertainment, possibly a minstrel show, in the fall. It was also decided to give \$10 in prizes at the commencement exercises of the Christian Day School. The

Christian Project topic, a part of each meeting, was conducted by Floyd Nickerson. The discussion was based on "The Christian in Business" and proved to be very interesting.

Following the business meeting a shuffle-board tournament was held during which refreshments were served by a committee in charge of Floyd Nickerson and assisted by Raymond Saehloff, George C. Bode and William Price. The winners of the tournament were Stephen Fassbender, Sr., and Clarence Buddenhagen. The entertainment committee for the next meeting, Monday, June 17, is composed of the following: Joseph A. Fassbender, chairman, Harry Gronemeyer, Nicholas Hostetter and Herman Knop. They are planning to make the meeting equally as interesting as the one this past Monday evening.

### Flashes of Life Sketched in Brief

#### Airborn

Saratoga Springs, N. Y., May 22 (AP)—Two diaper service operators teamed up today to speed operations in Saratoga Springs and Gloversville by inaugurating air transport of diapers between their plants.

Nicholas Alexander, Saratoga Springs, does the laundry for his own service as well as that of Peter Matthews in Gloversville, about 30 miles away. They formerly carried diapers by truck. Each owns his own plane, however, and the first load of 1,400 clean diapers is scheduled to move from Saratoga Springs to Gloversville today.

#### "Touche!"

San Francisco, May 22 (AP)—A labor union official (C.I.O.) was telling the fact-finding board of Pacific Gas and Electric Company, at a hotel the other day, about the rising cost of living.

The board interrupted to order two pitchers of ice water, which it paid room service \$1.50 plus a 50-cent tip.

"There!" said the speaker. "See what I mean?"

#### Inside Protection

Laurel, Mont., May 22 (AP)—The police station has been locked and bolted.

Police Chief James Bare took the action to keep thieves out. He reported three pencils and two dime-store notebooks missing.

#### Luck of the Irish

Chicago, May 22 (AP)—To the prisoner before him in town hall police court on a disorderly conduct charge the judge said:

"John Muldoon, you don't look like an Irishman to me."

"I'm not, My name is Muldoon. But I like Muldoon because it's easier to pronounce."

"Use your own name and I'll dismiss you. The Irish have enough trouble as it is," sighed Judge John R. McSweeney.

Muldoon, nee Muldoon, agreed.

#### Frank Is Hanged

London, May 21 (AP)—The Prague radio announced today that Karl Hermann Frank, former Reich's protector for Bohemia and Moravia, has been publicly hanged today as a war criminal. Frank was convicted by a Czech People's Court yesterday on charges of responsibility for the massacre of Lidice—a village of about 500 population 18 miles from Prague which was obliterated by the Nazis in June, 1942, in revenge for the slaying of Reinhard Heydrich, Frank's predecessor.

### Halstead to Build Six Houses in Sunset Park Area

Halstead Pre-Fabricated Homes, Inc., local pioneers in the development of pre-fabricated buildings, intends to erect six new homes in Sunset Park, Paul Halstead, company president, announced today.

In accordance with the Emergency Housing Program, first choice will be given to war veterans, Halstead said. The Halstead company has been in existence since January of this year and has been active in furthering the veterans housing program.

The first house is expected to be completed by the end of June, with the remainder being built during the course of the summer.

These houses, Halstead said, will range in size from two to three bedrooms and will have cellars, plumbing, heating and wiring. They will be ready for occupancy when completed.

Although the six model structures are being built according to plan, Halstead announced that it would be possible to build these homes according to the purchaser's specifications. This is especially true for veterans who contract for one of the houses before construction is started.

**Will Build Others**

The Halstead company will continue to build additional homes for veterans in Kingston after the proposed six have been completed.

Sizes of the homes will vary according to customer's specifications, but the Halstead company is prepared to build homes up to size 24 feet by 40 feet. Different layouts according to size are available, Halstead said, and the veteran who contracts for a prefabricated home will be given considerable leeway in architectural styles. All the new homes will be furnished with the most modern improvements.

Veterans' building in Kingston is not progressing satisfactorily, Halstead said. The returned veterans are still encountering considerable red tape in having priorities approved and getting G. I. loans set up.

### Sunday Memorial Services for All Who Died at Sea

Annual memorial services for those who died at sea will be conducted Sunday under the auspices of Auxiliary 53, Tappen Camp No. 1, Sons of Union Veterans, with a program in the afternoon at 3 o'clock on Stone's Ferry street dock and another in the evening at the municipal auditorium.

The afternoon program will start with a parade, beginning at 2:45 o'clock from Freeman Square, Broadway and Strand, with the marchers proceeding to the waterfront where flowers will be cast upon the water.

Heading the parade will be Port Ewen Drum Corps and the color guard from Kingston Post, 150, American Legion.

Speakers on the program for the memorial services are Mayor William F. Edelmuth, the Rev. Robert T. Shellenberger, rector of St. John's Episcopal Church and District Attorney Louis G. Bruhn. Antoinette Broco will sing, and Frank Sass, bugler from the American Legion, will sound taps in memory of those who gave their lives at sea. A volley will be fired by a squad from Company B, New York State Guard, commanded by Sgt. Roy Houghtaling.

Participants in the services will be members of Auxiliary 10, of Beacon; Auxiliary No. 52 of Newburgh; Troop 7 of St. John's Church; members of Colonial Camp, No. 75, United Spanish War Veterans; Joyce-Schirck Post, 1386, Veterans of Foreign Wars; Company M Veterans Association; Kingston Post 150, American Legion; Ulster Marine Corps League; American Legion Auxiliary and the Salvation Army.

### Union Presents Two Hard Coal Demands

New York, May 22 (AP)—Anthracite operators, negotiating a new contract with the A.F.L. United

Mine Workers in an effort to avert a strike in the Pennsylvania hard coal fields, were confronted today with two new union demands.

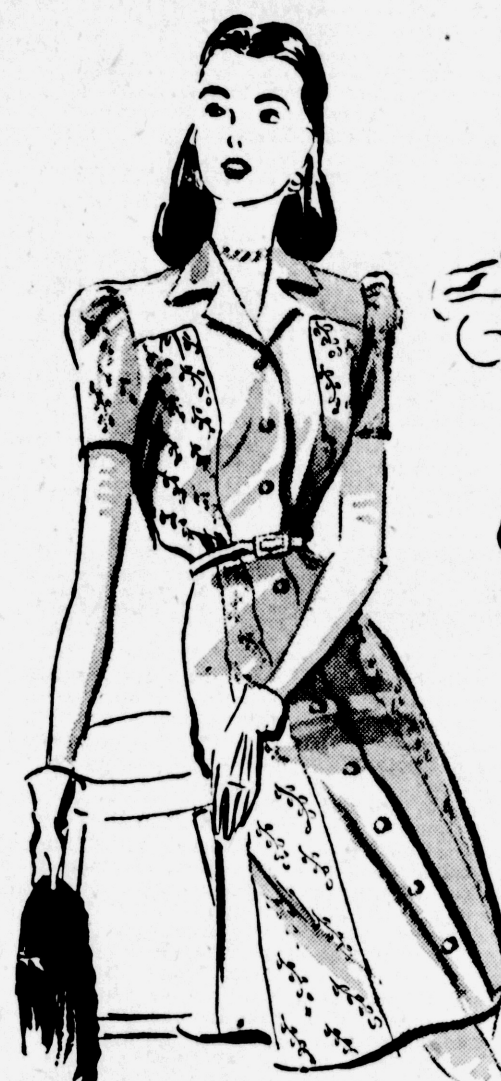

The demands, as outlined by Thomas J. Kennedy, U.M.W. secretary-treasurer, were one involv-

ing vacations, holiday pay and overtime payments and another concerning supervisory employees.

Contract between the groups expires May 31 and the union already has filed notice of intent to strike.

Way to Job

Saugerties police and state  
troopers from the Lake Katrine  
barracks are hunting for an un-  
identified man reported to have as-  
saulted a Mt. Marion woman, early  
Monday morning, while she was  
on her way to work.

According to her complaint to  
the police, Martha Loesser said she  
was driving her model T Ford  
truck slowly along the Church-  
land road, town of Saugerties, be-  
tween 6:30 and 7 a. m. en route  
to her job at the Tissue Mills in  
Saugerties.

The man sprang from the road-  
side and yelled that there would  
be no work at the mills. She stop-  
ped to ascertain why. Approaching  
with the remark that she  
"would not work at the Tissue  
Mills any more," he struck her in  
the face and disappeared.

Dr. B. W. Gifford treated the  
woman for her injuries.

Since the police had only a  
meagre description of the man,  
they had not made much headway  
up until late today.

## Police Chief Boss Will Have a New Office in City Hall

A new office is being prepared  
for Police Chief Ernest A. Boss,  
and his detective staff, in the city  
hall.

The large room across the hall  
from police headquarters utilized  
during the war as an air raid con-  
trol center, is being renovated for  
the purpose.

Painters are redecorating the  
new office, which at one time was  
a recreation room for the mem-  
bers of the police department be-  
fore the war organization moved in.

Detectives Wesley J. Cramer  
and Clarence W. Brophy are the  
two members of the department  
who will occupy the office with  
the chief.

The former police chief's office  
is to be used by Captain Frederick  
Stout and the two police lieuten-  
ants, Raymond Van Buren and  
William J. Leonard.

With the new set-up, Chief Boss  
will have better arrangements for  
conducting private police business,  
for questioning suspects and meet-  
ing persons who call on the de-  
partment for assistance.

Ship Will Sail for U. S.  
Calcutta, May 22 (AP)—Approx-  
imately 640 enlisted men, 135 of  
them and 40 soldiers, bound for  
Calcutta, will leave Calcutta May  
30 aboard the Marine Jumper, last  
troop ship to evacuate U. S. mili-  
tary personnel from the China-  
Burma theatre. The Army has  
evacuated 205,490 soldiers from  
the theatre and China since last  
September. Theatre headquarters  
said the turnover of surplus U. S.  
property in the theatre to the gov-  
ernment of India would be com-  
pleted by May 25.

A son, Carl David, was born to

Chapter, 445, O. E. S., will be held  
in Masonic Temple Friday eve-  
ning at 7:15 o'clock. The altar will  
be draped in memory of the de-  
ceased members. Regular business  
will be transacted. All Eastern  
Stars and Master Masons are in-  
vited.

Harold Waterman, 29, of 110  
Gage street, arrested yesterday  
by the police on a warrant charg-  
ing him with being a disorderly  
person, in failing to provide to the  
support of his family, had his  
hearing adjourned to June 10,  
when arraigned in police court to-  
day. He was paroled by the court.

Funeral services for Ferdinand  
Lowe who died at the Kingston  
Hospital Monday will be held  
Thursday at 2 p. m. at his late  
residence, 41 Shufeldt street. Sur-  
viving are his wife, Mrs. Emma  
Schline Lowe, two sons, Kenneth  
M. and Harry F., one daughter,  
Helen M., two grandsons and one  
granddaughter.

Funeral services for Mrs. Mary  
Hutton, who is a student at  
Keuka College will be in charge  
of the girl campers. Lead-  
ers working with Miss Hutton will  
be Jean Comstock and Lillian  
Heidcamp, with one or two others  
to be selected later.

Parents who desire to have their  
children attend the camp this sea-  
son may obtain full information by  
telephoning the "Y" office. Appli-  
cations and a camp folder giving  
details will be mailed on request.

## Chicago Mother Has Changed Her Mind

Burlington, Ia., May 22 (AP)—A  
young Chicago mother who yester-  
day left her nine-day old son in a  
hospital and boarded a train for  
California after leaving a note to  
her husband indicating disappoint-  
ment because her baby was not  
"a sweet and pretty little boy,"  
has changed her opinion.

The mother, Mrs. Marjorie Ashe,  
20, was reunited with her hus-  
band James, 27, at the police sta-  
tion last night after he flew here  
following her telephone call.

"She's been sick," Ashe said as  
he embraced his wife. "But she's  
all right now. And we both think  
we've got the most beautiful baby  
in the world."

Mrs. Ashe, in the note left at the  
hospital for her husband, said she  
"couldn't bear to think of taking  
him home and showing him to  
everyone. I think it would have  
eaten my heart completely away."  
O, if God had just made him cute,  
how happy we would have been.

Ashe said his son was a "per-  
fect baby" without a birthmark  
or a blemish.

## Officials Say Seizure Lessens Effect on Policy

Continued from Page One

without shattering the govern-  
ment's wage-price policy.

The bushy-browed United Mine  
Workers' chief—obviously with the  
consequences of the Smith-Connally  
War Labor Disputes Act in mind—  
told Krug and Morell yesterday  
that the question of working was  
one for each individual miner to  
decide.

But, Krug related, Lewis agreed  
to take under consideration a re-  
quest for "support."

The new mine boss emphasized  
at a news conference that what-  
ever contract the mine adminis-  
trators work out—in principle or  
otherwise—will have to be sub-  
mitted to the operators before the  
agreement can be completed and  
the mines released to their own-  
ers.

Lewis never has made known his  
specific wage views. The operators  
have offered him the 18½-cent  
hourly pay increase won by the  
C.I.O.-Steelworkers and C.I.O.-Au-  
tomobile workers after strikes.

Ahead of wages, however, Lewis  
has placed his demand for a seven  
per cent payroll levy for a union-  
administered health and welfare  
fund, which the operators estimate  
could net the union \$70,000,000  
annually. It is Lewis's most con-  
troversial point.

Krug said last night the govern-  
ment would know better what  
to expect by tonight or tomorrow  
night. This would include an un-  
derstanding on Lewis's position  
toward appealing to the miners to  
remain at work Monday. The  
union leader "made no promises  
and we requested none," Krug  
said.

The administrator emphasized  
that whatever contract eventually  
is written will have to comply with  
the government's wage-price  
policy.

## Red Cross Driver Shot Four Times On Malmady Road

Dachau, Germany, May 22 (AP)—  
An American ambulance driver  
who helped wounded Germans in  
Normandy told today how enemy  
troops ignored his Red Cross in-  
signia and shot him four times  
after he surrendered at the Mal-  
medy crossroads December 17,  
1944.

Claring at 74 SS war crimes  
defendants, Samuel Dobyns of  
Sandusky, O., described to a U. S.  
military court the shooting of  
more than 100 soldiers as they  
sundered in a field in Belgium dur-  
ing the Battle of the Bulge.

Dobyns was trapped by cross-  
fire that day and his ambulance  
was riddled by machinegun fire.  
He said he had just painted new  
Red Crosses on it.

He and his helper hit the dirt  
and the ambulance was wrecked  
against a tree. He surrendered  
to a group of German troops, he  
testified, and one private wanted  
to kill him on the spot.

He walked slowly before the  
defendants, but was unable to pick  
out the officer.

Dobyns said he was lined up  
with perhaps 150 others, including  
five wearing Red Cross insignia.  
A pistol shot rang out and a man  
near him fell.

"I broke ranks and ran to the  
rear," he said. "Then I heard an-  
other pistol shot and others in  
the rear started to disperse." At  
least two machineguns opened up  
and we all hit the dirt. I was shot  
four times and there were eight  
or ten other holes in my jacket.

"I saw three or four German  
soldiers shoot the wounded that  
were crying for help. I thought I  
was the only one left alive."

After several hours, Dobyns and  
15 or so others jumped up and ran  
to safety.

Dobyns said he could not iden-  
tify the captors as SS men.

## Visiting Rooster Disturbs Sleep of Dr. Seeley's Friends

Residents of the area around  
Fair street and Maiden Lane can  
throw away their alarm clocks,  
it seems.

Reason: A friendly little bar-  
tan rooster has decided that early  
morning calls on the Rev. Dr. F.  
B. Seeley net him a desirable  
breakfast.

For several weeks, the rooster  
has been making his early visits,  
crowing loudly to let Dr. Seeley,  
and the neighborhood, know he's  
ready for his morning meal.

Dr. Seeley is becoming very  
anxious to find the owner of the  
rooster whose cock-a-doodle-dos  
are disturbing the slumber of  
those who frown on getting up  
with the chickens.

## Londoners' Toleration

London, May 22 (AP)—The Arch-  
bishop of York, condemning "easy  
toleration" of divorce, said today  
that adultery should not be con-  
sidered an unforgivable wrong.

"We must teach the duty of for-  
giveness," he said in a presidential  
address to the convocation of York.  
"It must never be taken for  
granted that an act of adultery  
has inflicted a wrong which can  
never be forgiven or remedied.  
Genuine forgiveness can heal deep  
wounds."

## Pepper Is Ready

Washington, May 22 (AP)—Sen-  
ator Pepper (D-Fla.) declared today  
he is ready for a vote on labor dis-  
putes legislation—and in impatient  
Senate took that as a cue for an  
early showdown. Pepper, who has  
held the floor most of the time  
since debate began on the subject  
May 13, told a reporter he is will-  
ing now for the Senate to act.

Harold Waterman, 29, of 110  
Gage street, arrested yesterday

## Y.M.C.A. Applications Are Third Filled

Applications are being received  
for the annual Y.M.C.A. Day Camp  
at DeWitt Lake, and Camp Direc-  
tor Louis Schafer, said today that  
the quota of the camp for the  
opening week on Monday, June 24,  
is more than two-thirds filled.

All indications, said Mr. Scha-  
fer, point to the fact that the  
camp will have a record season  
this year. More new applications  
from boys and girls have been re-  
ceived than in previous seasons,  
and many new faces will be seen  
at the camp this year.

Mr. Schafer said he was anxious  
to hear from all of the 1945 camp-  
ers before the camp quota for the  
season is filled. He said that the  
camp could take care of 100 camp-  
ers each week.

Miss Jean Hutton, who is a stu-  
dent at Keuka College will be in  
charge of the girl campers. Lead-  
ers working with Miss Hutton will  
be Jean Comstock and Lillian  
Heidcamp, with one or two others  
to be selected later.

Parents who desire to have their  
children attend the camp this sea-  
son may obtain full information by

## Officials Seek Ways to Prevent Further Crashes

New York, May 22 (AP)—Local  
officials and safety authorities  
sought ways today of obtaining  
federal and city regulations to  
prevent recurrence of the plane  
crashes into Manhattan's skyline  
which have brought death to 19  
persons in less than a year.

Even as two army boards began  
investigating the crash of a C-45  
transport Monday night into the  
58th floor of the Bank of Man-  
hattan Company building—in  
which four army officers and a  
Wac lieutenant were killed—Fire  
Commissioner Frank J. Quayle an-  
nounced he would confer with  
Mayor William O'Dwyer on the  
advisability of local legislation to  
make it impossible for a recur-  
rence of this type of crash.

City safety authorities also re-  
viewed recommendations made  
after the crash of a B-25 bomber  
into the Empire State building last  
July, calling for stricter super-  
vision of air traffic over the metro-  
politan area.

Three fliers and 11 office work-  
ers were killed in the July acci-  
dent.

At that time federal agencies  
were urged to adopt a ruling  
directing all aircraft to avoid con-  
gested sections of the city. Civil  
Aeronautics Authority officials here  
said last night the recommenda-  
tions were understood to be under  
consideration in Washington but  
thus far no changes had been made  
in longstanding rules which sim-  
ply require aircraft to maintain an

## Quit Deriding Weatherman! He's 828 Per Cent Okay

By ARTHUR L. EDSON

Washington, May 22 (AP)—You can cut out that nonsense about how many errors the weatherman makes.

For it turns out your weatherman is just like your wife. He, too, is always right.

Well, almost always. The Washington Star has kept the weatherman's record for the past 29 days. The results:

W L PCT  
Weatherman ..... 24 5 828

"And remember," said R. C. Schmidt, the supervising forecaster, "this is the rainy season. Rain always is rough on the weatherman."

Schmidt and his five helpers have racked up an even percentage of Jerry O'Leary, Jr., the Star's official weather scorer, had been a little more lenient.

But O'Leary was hard boiled in chalking up losses. For example, there was the day Schmidt forecast "occasional showers."

Well, it rained all right, but constantly.

O'Leary consulted his dictionary, verified "occasional" means "infrequent."

Schmidt told a reporter that the 828 batting average here isn't at all unusual. In a normal season, he said, any weather bureau is likely to hit it on the nose 85 times out of 100.

"Yes," he said, "people seem to think we're wrong as often as we're right," he sighed, and added, "When you're right, nobody remembers. When you're wrong, everybody forgets."

**Oak Ridge Is Called Major Social Experiment**

Philadelphia, May 22 (AP)—The war-born Oak Ridge, Tenn., community not only built the atomic bomb but it has served as major social experiment in the U. S.

Says Samuel S. Baxter who helped plan the town.

Baxter, during the war, was an Army major in charge of Oak Ridge planning. He is now projects engineer in Philadelphia's Department of Public Works.

Baxter told the Engineers Club yesterday that Oak Ridge "was closer to being a perfectly planned community than any other city in the United States."

"Every adult was a worker; there was no indigents. Here we had a community of 75,000 persons living under military rule, and with no voice in their city's management in operation of the local government, x x x every body was happy. From a social standpoint, Oak Ridge was a complete success."

**Rosendale-Tillison Legion Post to Meet**

Rosendale-Tillison Post, 1219, American Legion, will hold a social meeting instead of a regular business meeting on Thursday, May 23 at the post rooms, Rosendale, for members and their families.

At this time the auxiliary will be reorganized for active service. All World War 2 veterans in the Rosendale area interested in post membership and who would like to attend this social are asked to contact any local post member or officer. Information can also be had by phoning Rosendale 3487 or 2177.

**Colonel Kirk Re-Enlists**

New York, May 22 (AP)—David Kirk, who was adjutant general of the Second Service Command with the rank of colonel until discharged last February, was back in the army today—as a master sergeant. He gave his reason for re-enlisting yesterday: "Since my discharge I have been working for \$4,230 a year. Less income tax deductions, this amounts to about \$300 a month. As master sergeant I will draw \$373 a month. Considering retirement privileges, and no worries about finding an apartment, I think I'll be doing very much better in the army." Kirk has made more than 27 years service in the army.

**We'll Eat 150,000 Horses**

Chicago, May 22 (AP)—Horse slaughtering in 1946, it was estimated at the Chicago stock yards today, will reach an all-time high, with more than 150,000 horses going to the butcher block for human consumption, more than double last year's total.

**Auto Dealers' Group Predicts Low Output**

Washington—Even with the prompt ending of the coal strike and the absence of other difficulties such as labor troubles and shortages of supplies, the automobile industry will not be able to produce more than 60 per cent of the 1941 output of new cars during the entire period of 1946, the National Automobile Dealers Association reported today. This would mean an outside estimate of 2,245,000 cars for the year.

The estimate is based on a canvass of the automobile manufacturing industry. A survey of the steel situation indicates that with full capacity production from now on, not enough cold rolled steel can be turned out for more than 2,500,000 cars. During April new car production was 150,000—just a little more than a week's output before the war.

## Four Kingston Men Enlist in U. S. Army

Four residents of Kingston joined the army for three years on May 17. Maurice L. Somsen, a veteran of overseas service with the Army Air Forces, reenlisted in his former grade as staff sergeant.

Somsen moved here from Barstow, Calif. Although Somsen had been out of the army over the 90 day limit for re-enlistment in grade, he was able to rejoin with his former rank, due to his military occupational specialty rating of aircraft armorer.

Richard T. Howell, son of Mrs. Myrtle Howell or 35 North Front street made an original enlistment in the infantry. Howell's father is a retired army man.

Raymond Every of 170 Downs street reenlisted as a sergeant, also availing himself of the opportunity offered by the army's need of certain specialists. Raymond was a radar operator during the war.

Francis V. Cullen of Abel street reenlisted for the corps of engineers. Cullen served with the

engineers in North Africa during the war. He stated to First Sergeant Moir L. Venable of the army recruiting station that he liked army service, and intended to make a career of it.

## Shipboard Malady Kills Three Babies

New York, May 22 (AP)—Three babies died aboard the battleship Zebulon Vance during its 13-day voyage from Le Havre to New York and 16 others were stricken by an undetermined malady, the New York Port of Embarkation disclosed last night.

All but two of the children were about six months old. Col. John U. Schiess, chief of public relations for the port, said. Names of the infants were not announced. The ailing children have been removed to the Army hospital at Fort Hamilton, Brooklyn.

The vessel, carrying 426 war brides and children from France, Belgium, Poland and Holland, arrived Monday.

Schiess said Army physicians had not yet diagnosed the illness.

Lutheran Men's Club  
To Give Prizes

The regular monthly meeting of the Men's Club of the Immanuel Evangelical Lutheran Church was held in the parish hall Monday evening. The club has been enjoying a steady growth since the return of the servicemen and now has 55 members.

It was voted to purchase a new photograph for congregational use. A committee consisting of George C. Bode, chairman, Charles J. Petri, and George Studt was selected to make arrangements for an entertainment, possibly a minstrel show, in the fall. It was also decided to give \$10 in prizes to the commencement exercises of the Christian Day School. The

Christian Project topic, a part of each meeting, was conducted by Floyd Nickerson. The discussion was based on "The Christian in Business" and proved to be very interesting.

Following the business meeting a shuffle-board tournament was held during which refreshments were served by a committee in charge of Floyd Nickerson and assisted by Raymond Saehloff, George C. Bode and William Price. The winners of the tournament were Stephen Fassbender, Sr., and Clarence Buddenhagen. The entertainment committee for the next meeting, Monday, June 17, is composed of the following: Joseph A. Fassbender, chairman, Harry Gronemeyer, Nicholas Hostetter and Herman Knop. They are planning to make the meeting equally as interesting as the one this past Monday evening.

Flashes of Life  
Sketched in Brief

**Airborn**  
Saratoga Springs, N. Y., May 22 (AP)—Two diaper service operators teamed up today to speed operations in Saratoga Springs and Gloversville by inaugurating air transport of diapers between their plants.

Nicholas Alexander, Saratoga Springs, does the laundry for his own service as well as that of Peter Matthews in Gloversville, about 30 miles away. They formerly carried diapers by truck. Each owns his own plane, however, and the first load of 1,400 clean diapers is scheduled to move from Saratoga Springs to Gloversville today.

lands during the war, Ray Nelson of Litchfield had some temporary work done by an army dentist. On his return home after discharge he decided to have the job completed and went to a Litchfield dentist's office. After he told the dentist about the temporary work, he recognized him as the dentist who had started the job in the Pacific.

## Frank Is Hanged

London, May 21 (AP)—The Prague radio announced today that Karl Hermann Frank, former Reichs protector for Bohemia and Moravia, has been publicly hanged today as a war criminal. Frank was convicted by a Czech People's Court yesterday on charges of responsibility for the massacre of Lidice—a village of about 500 population 18 miles from Prague which was obliterated by the Nazis in June, 1942, in revenge for the slaying of Reinhard Heydrich, Frank's predecessor.

Halstead to Build  
Six Houses in  
Sunset Park Area

Halstead Pre-Fabricated Homes, Inc., local pioneers in the development of pre-fabricated buildings, intends to erect six new homes in Sunset Park, Paul Halstead, company president, announced today.

In accordance with the Emergency Housing Program, first choice will be given to war veterans, Halstead said. The Halstead company has been in existence since January of this year and has been active in furthering the veterans housing program.

The first house is expected to be completed by the end of June, with the remainder being built during the course of the summer. These houses, Halstead said, will range in size from two to three bedrooms and will have cellars, plumbing, heating and wiring. They will be ready for occupancy when completed.

Although the six model structures are being built according to plan, Halstead announced that it would be possible to build these homes according to the purchaser's specifications. This is especially true for veterans who contract for one of the houses before construction is started.

## Will Build Others

The Halstead company will continue to build additional homes for veterans in Kingston after the proposed six have been completed. Sizes of the homes will vary according to customer's specifications, but the Halstead company is prepared to build homes up to size 24 feet by 40 feet. Different layouts according to size are available, Halstead said, and the veteran who contracts for a prefabricated home will be given considerable leeway in architectural styles. All the new homes will be furnished with the most modern improvements.

Veterans' building in Kingston is not progressing satisfactorily, Halstead said. The returned veterans are still encountering considerable red tape in having priorities approved and getting G. I. loans set up.

Sunday Memorial  
Services for All  
Who Died at Sea

Annual memorial services for those who died at sea will be conducted Sunday under the auspices of Auxiliary 53, Tappen Camp No. 1, Sons of Union Veterans, with a program in the afternoon at 3 o'clock on Stone's Ferry street dock and another in the evening at the municipal auditorium.

The afternoon program will start with a parade, beginning at 2:45 o'clock from Freeman Square, Broadway and Strand, with the marchers proceeding to the waterfront where flowers will be cast upon the water.

Heading the parade will be Port Ewen Drum Corps and the color guard from Kingston Post, 150, American Legion.

Speakers on the program for the memorial services are Mayor William F. Edelmuth, the Rev. Robert T. Shellenberger, rector of St. John's Episcopal Church and District Attorney Louis G. Bruhn. Antoinette Breco will sing, and Frank Sass, bugler from the American Legion, will sound taps in memory of those who gave their lives at sea. A volley will be fired by a squad from Company B, New York State Guard, commanded by Sgt. Roy Houghtaling.

Participants in the services will be members of Auxiliary 10 of Beacon; Auxiliary No. 52 of Newburgh; Troop 7 of St. John's Church; members of Colonial Camp No. 75, United Spanish War Veterans; Joyce-Schrick Post, 1386, Veterans of Foreign Wars; Company M Veterans Association; Kingston Post 150, American Legion; Ulster Marine Corps League; American Legion Auxiliary and the Salvation Army.

"UNBLOCK" your  
DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.

What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive forces can then reach it. You get genuine relief that makes you feel really good again.

Get Carter's Pills at any drugstore—25¢. "Unblock" your intestinal tract for real relief from indigestion.

Union Presents Two  
Hard Coal Demands

New York, May 22 (AP)—Anthracite operators, negotiating a new contract with the A.F.L. United

Mine Workers in an effort to avert a strike in the Pennsylvania hard coal fields, were confronted today with two new union demands. The demands, as outlined by Thomas J. Kennedy, U.M.W. secretary-treasurer, were one involving vacations, holiday pay and overtime payments and another concerning supervisory employees. Contract between the groups expires May 31 and the union already has filed notice of intent to strike.

As a general rule, men are glad to get back home but of women the same can't be said, what with having to face a sink full of dirty dishes and all that.

Husband (answering the telephone)—I don't know. Call the weather bureau.  
Pretty Young Wife—Who was that?  
Husband—Some sailor, I guess. He asked if the coast was clear.

The poor aren't inherently better than the rich; they just don't have as much money to spend.

Shopper (glancing over limited display of cut-up fowl which was selling fast)—Will you have any legs by Saturday?  
Clerk—Gosh, lady, I don't know. They're so tired now I can hardly stand on 'em!

One way to live to a ripe old age, it has been said, is to get a disease and nurse it carefully.

Wife—How did you get the baby to eat olives?  
Husband—It was easy—I just started him on Martin's.

Private Smith (aboard an Atlantic convoy) Sarge, I'm beginning to feel seasick. What can I do?

Sergeant—Don't worry, son, you'll do it.

Man—Is it possible for a man to make a fool of himself without knowing it?

Friend—Not if he has a wife.

Occasionally we entertain the awful suspicion that we bore some

## WOODSTOCK

Woodstock, May 22—The Rev. Harvey Gadenken is a patient in Madison, N. J., hospital. Previously he had been in the Kingston Hospital and in the Methodist Hospital, New York. Sunday the pulpit of the Woodstock Church was filled by the Rev. Charles Johnson, a classmate of the Rev. Mr. Gadenken. He is a resident of Minneapolis, Minn.

Members of the local Masonic lodge visited Oak Hill Monday evening to confer a degree on a class of candidates.

The Dutch Reformed Church is

conducting a drive for clothes to send to Holland. The Rev. and Mrs. Todd are in charge. Union services for members of the Methodist, Reformed and Lutheran churches will be held on Sunday in the Reformed Church at the regular hour. The Rev. Dr. F. B. Seeley of Kingston will be the preacher.

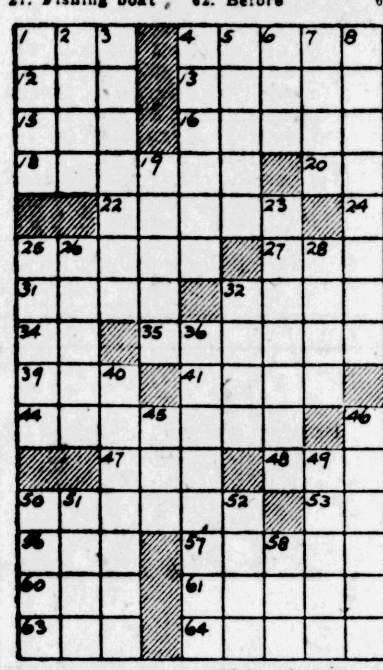

Mr. and Mrs. La Monte Simpkins have returned here after an extensive tour of the country, which they enjoyed very much.

## Kiwi Kin Hatched

All New Zealand was interested to learn that a second kiwi chick had been hatched at the Hawke's Bay Acclimatization Society's farm at Greenmeadows. This is the second such chick hatched in captivity, the first now being several months old and keeping its parent birds very busy gathering enough worms to maintain its diet.

## Job Seekers Fleece

A phony employment agency in Mexico City has been collecting fees in advance from jobseekers and sending the applicants to companies that have no vacancies or to jobs that do not exist. Juveniles Ramirez complained that he paid \$5 and was sent to a milk route that "needed drivers and assistants," only to be met with a surprised look.

## Gippert-Ricketson Nuptials in Saugerties

Miss Mildred Ricketson, daughter of Mr. and Mrs. Clinton Ricketson of Partition street, Saugerties, was united in marriage to Milfred Gippert, son of Mrs. Naomi Gippert of Cedar street, Saugerties and the late Charles Gippert, Sunday at 2 p. m. The Rev. Ray E. Kulman performed the ceremony in the Atonement Lutheran Church, Saugerties.

The church was decorated with dogwood, spirea and white iris. Mrs. Arthur Van Etten, organist, played a program of wedding music and the wedding march. Clinton Ricketson, Jr., gave his sister in marriage. She wore an aqua afternoon dress with white flowers and corsage of pink roses and lilies of the valley. Miss Mildred Gippert, sister of the bridegroom, as maid of honor wore a gold dress, white flowered hat and corsage of tulle and roses. Charles Gippert was best man for his brother. Ushers were Glenford Genthner and Richard Genthner, cousins of the bridegroom.

Following the ceremony, the bride couple received their friends in the vestibule of the church. Afterward a luncheon and reception for the immediate families was held at the home of Mr. and Mrs. Charles Gippert of Robinson street, Saugerties. Afterward the bride and bridegroom left for a wedding trip to Albany and northern New York state.

Mrs. Gippert has been employed at the Paramount Pharmacy. The bridegroom, a veteran of World War II served in Europe. He is a baker employed by the Corner Bakery, Saugerties. They will make their home in Saugerties.

New York, May 21 (Special)—Walter Robinson, a mechanical engineer, of 55 Mountain View avenue, Kingston, and Miss Theresa Gottfried, a student, of 325 West End avenue, New York, obtained a marriage license at the city clerk's office here today.

The couple said their marriage would take place on June 9.

Mr. Robinson was born in Austria, the son of Edward and Malvine Karpen Robinson. His bride, the daughter of Lazarus and Lea K. Gottfried, is a native German.

## Negro Soprano Will Be Soloist at First Dutch Choir Concert

MISS ADELE ADDISON, Negro soprano and protegee of Dorothy Maynor, will be the guest soloist at the annual Spring Concert of the First Dutch Reformed Church combined choir Friday night, 7:45 o'clock. The program which is secular will be given in the chapel and will climax the Dutch Fair of the church which started today. The public is invited to attend.

Miss Addison, a native of Springfield and a senior at Westminster Choir School, Princeton, N. J., was highly praised last week by Evert C. Larson writing for the Springfield Union of Springfield, Mass. She with Donald Dame, Julius Huoh and Arthur Kent of the Metropolitan Opera Co. were chosen as guest soloists for the annual concert of the Classical High School choral club and orchestra in Springfield Friday night. She sang several of the soprano solos in "The Redemption" by Charles Gounod which was presented that evening.

In reviewing the concert Mr. Larson reported that "Miss Addison possesses the most gifted and beautiful feminine voice to have come out of Springfield, and surpasses, both in technique and quality, many professionally famous sopranos. . . . Anticipation reigned all throughout the program for her reappearance. All too infrequent were her contributions. . . . Miss Addison undoubtedly became a national figure in music. She should be."

More than 100 voices will be heard in the concert which is under the direction of Miss Sue Merriam, minister of music. They will be included in the Chorus Choir, Boys Choir, Girls Choir, Junior boys and girls; Carol Choir, junior boys; Angelus Choir, intermediate girls; Motet Choir, senior choir. Mrs. Raymond Rignall will be the accompanist.

The program will be as follows: Procession, March Pontificale, Tombelle, Mrs. Rignall; Children's Thanksgiving, H. Ernest Nichol; All Things Bright and Beautiful, Danish Folk Song; Pigeon House, children's song; Cherub Choir; The Crow, Swedish Folk Song; Carol Choir, The Big Brown Bear, Anna-Zucca; Angelus Choir; The Lone Prairie, David W. Guion; Motet Choir.

Solos: Bist du bei mir (Thou art my joy) Johann Sebastian Bach; Se tu ami, se sospiri (If thou lovest me) Giovanni Pergolesi; Psyche, E. Poldini; Zueignung, Richard Strauss; Miss Addison.

Blow the Man Down, Away to Rio, A Short Haul Chantey, Sea Chantey, Boys Choir, Walking Song, a Swiss Folk Song; Carol Choir, Keep in De Middle ob De Road, W. S. Hayes, Carol and Boys Choir, Miss Addison as soloist. Wooden Shoes, Victor Herbert; Angelus Choir, Carol Schoonmaker and Chase Page as dancers. The Solos: The Rose Has Charmed

## Saugerties C.A.R. Visits

Kingston Group and Museum Members of the Christian Myer Society, Children of the American Revolution, of Saugerties, were guests of the local Christopher Tappen Society at the Saturday afternoon, May 19, at the Wiltwyck Chapter D.A.R. House Saturday afternoon. The two groups visited the Senate House and Senate House Museum.

Returning to the chapter house a short meeting was held with Miss Mary Elizabeth Empringham, president of Christopher Tappen Society presiding. She introduced Miss Diana Poneck, president of the Saugerties group, who gave a brief sketch of Christian Myer for whom her club is named. Miss Empringham gave an account of Christopher Tappen. Mrs. William Macgregor Mills, senior president of the local group, also welcomed the visitors. At the close of the afternoon refreshments were served.

The Christopher Tappen Society has been invited to be the guests of the Christian Myer Society at its annual pilgrimage in June.

## Cadet David Lane Is Member of West Point's June Graduating Class

DAVID S. LANE

Among the cadets being graduated from the United States Military Academy in June is David S. Lane, son of Mr. and Mrs. M. Donald Lane, 36 Mountain View avenue. A graduate of Kingston High School, Lane attended Princeton University, Princeton, N. J., prior to receiving his appointment to West Point from Representative Jay LeFevre of the 27th New York District. During his first class year, he was made a cadet sergeant, and was a member of the Glee Club and Choir. Upon graduation, he will receive his commission in the ordnance department.

The present graduating class will be the largest in the history of the academy; 210 air cadets will be graduated with the wings; 34 commissioned in the Corps of Engineers; 49 in the cavalry including armored force; 125 in field artillery including armored force; 71 in coast artillery corps including anti-aircraft and sea coast artillery; 35 in ordnance; 236 in infantry including armored force and tank destroyers; 62 in quartermaster corps; 26 in signal corps and seven in chemical warfare service.

It is interesting to note that, of 12,286 graduates since the founding of the academy in 1802, approximately 10,500 are now living. Of this number, about 89 per cent are on active duty, serving all over the world.

## Solo Interpretation Of Student Prince Will Be Given at 'Y'

"The Student Prince" which will be given by Geraldine MacLaine in an "operetta petite program," May 27, at the Y.W.C.A., is the Americanization of Alt Heidelberg. Written by Sigmund Romberg it was first given in 1924 and tells the fairy tale of perfect love recognized by young eyes blind to barriers of place and poverty. Its most popular numbers, "Deep in My Heart, Dear" and "The Drinking Song," are still favorites today.

Miss MacLaine, contralto, is 24 years old. Her voice was discovered seven years ago by Dr. Henry J. Foan, organist, voice analyst and conductor, and former organist of St. Paul's Cathedral in London. He has studied at the London, Paris, Milan and Leipzig conservatories. Since her debut with Dr. Foan as her musical director, Miss MacLaine has given more than 1500 performances largely in the metropolitan area. She has appeared before college women's clubs and other organizations and according to newspaper critics in New Jersey which is her home, "She has the largest and certainly most enthusiastic following in the state."

Tickets for this program which is sponsored by the Business and Professional Girls' Club of the Y.W.C.A. may be purchased from any member of the club or at the "Y."

## Good Taste Today

By Emily Post (Author of "Etiquette," "Children Are People," etc.)

**GRADUATION INVITATIONS OBLIGATE NO ONE**  
"Will you please print again that invitations sent out for graduation exercises do not require anyone's sending a gift. Many people here still think the invitation carries this obligation although I distinctly remember reading that you said it did not."

The assumption of this writer is correct. The invitation of itself never carries an obligation to send a present. However, it does suggest to a member of the family or an intimate friend who would like to send a present that the time has come to send it.

## Complicated Wedding Cards

Dear Mrs. Post: In the case of our son, who is going to marry here in our church his English fiancée, now en route, shouldn't we, his parents, send the invitations in our names instead of her family's who could not accompany her? We are giving the reception afterward at our house and would like to send wedding announcements to many people who can not be asked. Shouldn't all these wedding forms be in our names? Answer: The invitations would have to be sent in your names. This would not prevent announcements from being sent by her family to their people and friends abroad and even to your general list here, but not, of course, to those whom you are inviting to the wedding.

## "Jr." Correct for Adopted Child

Dear Mrs. Post: Is it improper to name an adopted son "Jr." for his father (my husband)? We had thought adopting him legally made him the same as our own and that, therefore, we could do this. A friend told me it was wrong.

Answer: If you are giving him your husband's identical name, there is no way of separating his name from that of his "father" except by adding "Jr."

## No Definite Rule

Dear Mrs. Post: If only one initial is used on handkerchiefs, which initial should this be? Answer: The initial of the last name always for a man and usually for a boy. The initial of the first name often is preferred by young girls and occasionally (but not quite as suitably) by older women.

## How early are invitations to a wedding mailed?

The answer is found in Mrs. Post's leaflet, "Wedding Invitations and Announcements," obtainable for a 3-cent stamped, self-addressed envelope sent to her in care of The Kingston Daily Freeman, P.O. Box 99, Station C, New York 19, N. Y. (Released by The Bell Syndicate, Inc.)

## Men Are Honored

**At Couples Club Meeting**  
Men's night was observed Tuesday by Clinton Avenue Methodist Couples Club as the women of the organization took charge of planning the evening. The meeting was held in Epworth Hall and opened with community singing led by George Miller with Mrs. Raymond Ingersoll at the piano. George Miller and Vernon Miller sang a familiar hymn as a duet.

Robert Messenger was guest soloist of the evening singing, "Sea Fever, Mark Andrew; On Road to Mandalay, Oley Speaks; When I Have Sung My Songs to You, Ernest Charles. Miss Ingersoll accompanied him.

Several records were played including "Valse Triste," and "Finlandia," by Sibelius and "O, Rest in the Lord," from Mendelssohn's "Elijah," and "But the Lord Is Mindful of His Own," from the same composer's "St. Paul," sung by Marian Anderson.

During the short business meeting plans were made for the covered dish supper picnic at Forsyth Park, June 18. There were three guests attending the meeting, Mr. and Mrs. Alfred Messenger and Mrs. Irving Weniger.

Committees who planned for the evening were Mr. Raymond H. Woodward, Mrs. Byron Chatham, Mrs. Floyd Spencer, Mrs. William S. Jackson, program; Mrs. John Cope, Mrs. Vernon Miller, Mrs. Warren Smith and Mrs. John Barton, reception; Mrs. Charles Rose, Mrs. Charles Kelder, Mrs. Arthur Crist and Mrs. Edward Carson, refreshments.

## Personal Notes

Mr. and Mrs. D. Gregory Badger of Washington avenue have returned from a week's vacation in the Adirondacks.

Mrs. Clarence Hyde, 17 Levan street, and Mrs. Thomas Leach, 122 Andrew street, were guests of their daughters, Miss Janice Hyde and Miss Mary Leach, at Cortland State Teachers College last week-end. Friday they attended Moving-Up Day exercises and Saturday they were among the mothers honored at "Mother's Day Program" sponsored by Nu Sigma Chi in which both Miss Hyde and Miss Leach are members.

Miss Collette Magnusson, a student at New Paltz State Teachers College, will sing a group of solos at the annual Glee Club concert Thursday evening.

Mr. and Mrs. Herbert H. Reuner have returned to Rifton after spending a week in New York.

Mrs. Michael J. Powers of East Chester street has returned home after spending the week in New York.

## Student Council

Plans for the student counseling program for next year have been formulated and the steering committee of the 40 students, who are to serve as student counselors, are working on plans for Freshman week, September 6 to 9. Jane Hirsch is the general chairman and the committee members are Doris Bagg, Doris Merritt, Joe Mosley, Doris Paine, Lois Tamney, Dick Van Keuren and Katherine Wessling.

## New Honor Society

Kappa Delta Pi National Honor Society for graduate and undergraduate men and women has been formed at the college. On Friday, May 31, there will be an installation dinner at the Old Fort. Conrad Thibault, concert baritone, gave a very well balanced program to a delighted audience in the college auditorium. The sophomore class presented the "Hayseed Hop" as its annual dance for the benefit of the Practice School Milk Fund. The Kappa Fraternity held its first annual banquet at Williams Lake. The banquet was a success and the proceeds will be used for the opening of the Kappa House.

She was elected on the basis of character, scholarship, teaching ability, leadership, contributions to the college, cooperation, personality and initiative. Her court was comprised of Kay Benjamin, Catherine Butler, Mary Gillette, Doris Hotelling, Cecil McDermott and Shirley Smith.

## Public Hearings Open On Milk Price 'Spread'

Albany, N. Y., May 22 (AP)—The first of six public hearings by the New York State Temporary Commission on Agriculture on the milk price "spread" and milk marketing costs will be held in Watertown tomorrow. Other hearings will be held in Syracuse, Friday; Batavia, Saturday; in Oneonta on June 5; Poughkeepsie on June 6, and New York city on June 7. The commission, which made a study of state agriculture last year, was continued by the 1946 Legislature with an appropriation of \$200,000.

## Stalin Says Russia Can't Give More

Continued from Page One

The Soviet Union could be counted on as a participant. Stalin's reply to Truman was published as millions of Soviet farmers toiled to get maximum crops in 1946.

Decree Is Approved

Stalin only a few days ago approved a special decree of the Council of Ministers ordering the plowing up of land where winter wheat crops perished and its immediate re-sowing with spring wheat. The Ukrainian Communist party at the same time officially recognized Stalin's personal interest in pushing work on this year's Ukrainian bread crops.

The same issue of Pravda which published Stalin's statement today quoted a prominent agricultural expert as saying that this week was a critical period for crops.

"Our task," he said, "is to finish sowing spring wheat in Siberia and elsewhere, speed up soil sowing and finish planting potatoes. The critical days have arrived."

Rumors that Russia had turned down the President's appeal came from Washington last Saturday, but there had been no official word prior to the Moscow broadcast last night. Unofficial Washington reports last week-end said Mr. Truman apparently still had hopes of getting Russia to reconsider her position on the world food problem.

A Moscow broadcast last Saturday said Russia had pledged to deliver more than 1,000,000 tons of grain to Finland, France, Poland and Romania during the first year of peace.

## Wheat Bonus Extension Beyond 25th Expected

Washington, May 22 (AP)—With available cereal supplies still running far short of this country's promises to famine areas, the government is expected to extend its 30-cent-a-bushel wheat bonus beyond the May 25 expiration date. Top Agriculture Department officials decline to comment on this possibility, but they conceded that the bonus offer has not brought in the amount of wheat urgently needed to meet export schedules for the remainder of May and June.

The government had hoped to obtain at least 100,000,000 bushels of wheat from farmers by means of the bonus, offered in addition to the ceiling price on the grain. However, on the basis of wheat sales up to May 17, it appeared that not more than 70,000,000 bushels would be obtained by the date set for withdrawal of the bonus. Sales to the May 17 date totaled 43,397,000 bushels.

Officials said the movement of wheat from farms to market had been delayed in some areas by a lack of elevator space. Some local grain elevators are unable to buy wheat for the government because they have no place to put it. These elevators were said to be located principally on branch railroad lines and unable thus far to get railroad cars for shipment of grain already on hand.

Thus extension of the bonus would give farmers affected by the car shortage additional time to take advantage of the offer. Some officials fear withdrawal of the bonus before harvest of the new wheat crop might result in a virtual halt in movement of wheat off farms.

## State Picks Locks At Apartment House

New York, May 22 (AP)—The state resorted to lock picking last night to gain entry to 37 apartments in a resort hotel at Long Beach seized under the State Emergency Housing Act to provide shelter for persons made homeless by a recent fire.

When Pauline Goldman, manager of the President Hotel apartments, refused to give Walter Van Nostrand, representative of the State Division of Housing, the keys to the apartments, Van Nostrand summoned Abe Kupchick, 64-year-old locksmith.

Kupchick removed the locks and replaced them with new ones. Miss Goldman called police, but the police said state authorities had proper authorization papers and remained to watch Kupchick work. Five families were housed late last night, and nine others assigned. Kupchick said this was "certainly something new for me—a wholesale lockpicking job, with the government looking on."

## Sino Forces, Reds Battle for Cities

chiefly for Szechuan, and days of slow progress as the government troops plodded north afoot and with horse-drawn equipment, preceded the capture of Kungch'ing. The push started as the Communists moved on Changchun in mid-April when the Russians withdrew their occupation troops from the Manchurian capital.

General Tu told the press that three armies and 15 brigades of "bandit troops" totaling 110,000 men originally stationed at Szechuan were preparing to attack Kaiyuan and Changtu.

A Central News (Government) Agency dispatch received in Nanking reported that the Communists had captured Antze, a town near Tientsin on the Peiping-Tientsin Railway.

In Peiping, the Chinese ministry of information said the Communists, apparently attempting to seize the Chengteh-Chinchow railroad, drove to Hsinlingkou, 10 miles north of Chaoyang. It said the government garrison was isolated.

The ministry said the same Communist troops captured Peipiao, 20 miles northeast of Chaoyang.

Eight Red brigades were reported concentrated around Pingchuan, 100 miles to the southwest, and were besieging the nearby village of Wutuchi.

The government reported that the railroad linking Lingchuan, Chaoyang and Chinsien already had been cut. Linchuan is 60 miles southwest of Chaoyang.

The Peiping Chronicle carried a dispatch from Tsinan saying the Communist members of a cease-fire team suddenly departed Tsinan for the Communist forces were reported advancing on the isolated Shantung Province capital from three directions.

Creating doubt as to whether government troops had captured Kungch'ing or only entered it was an earlier dispatch from Associated Press Correspondent Tom Masterson in Peiping. He said reports from Central Manchuria indicated the Communists were well prepared to defend the city.

## Moscow Gives Report

London, May 21 (AP)—The Moscow radio quoted a Tass report from "reliable sources" today as saying that American Communist pilots had been shot down over Manchuria while bombing Chinese Communist forces.

Reports of the downing of the planes followed the withdrawal of Soviet troops from Manchuria, which was completed May 3, the broadcast said.

Fighting which developed between the Communists and Chinese National Government forces after that date revealed that "the Kuomintang troops were equipped with American arms, some of which have fallen into the hands of the people's revolutionary army as trophies," the broadcast declared.

"Great indignation," it added, "has been caused in the ranks of the people's revolutionary army by the fact that seven bombers which bombed troops of the people's Revolutionary Army and were shot down proved to be American. The pilots also proved to be Americans."

## No Intimidation Given

There has been no intimidation recently from China of any American pilots flying over Manchuria except as transports for American observers or for truce teams composed of American, Chinese Government and Communist members.

U. S. Army and Marine generals in the China theatre repeatedly have denied that U. S. pilots were flying any but peaceful missions.

## Wittek Awaits Action Of Jury On Gun Count

Arraigned before Justice of the Peace Percy Bush on a charge of discharging a gun at a person, Anthony John Wittek, 23, of Eddyville, waived examination yesterday and was released on bail pending a hearing before the grand jury. Wittek was arrested yesterday on charges preferred by William Sheridan, stepfather of Raymond Higgs, 12, of Eddyville, who was injured Sunday when a bullet fired from Wittek's rifle allegedly ricocheted from a roadway and struck Higgs' leg. The youngster is receiving treatment at the Kingston Hospital.

## Diplomats Look For Vital Rulings

Continued from Page One

at the head of the Adriatic? Some officials here say that Trieste evidently has become a symbol of Russia's ability to deliver the goods for a friendly Communist government.

Will Stalin overrule Molotov's initial objections to the proposal by Secretary of State Byrnes for a 25-year four-power German control pact or will he uphold Molotov's objections to making such an agreement?

There still was some feeling on Capitol Hill that the best way to deal with such issues would be another "Big Three" or even a "Big Two" conference.

These conference proposals, however, aroused few echoing voices and no official encouragement at the present time.

In the opinion of persons familiar with the recessed negotiations of the "Big Four" at Paris, the thing most likely to force Russia's hand is Byrnes' announced intention to take the whole problem of European peace making into the United Nations general assembly unless the big powers quickly get together.

The basic American timetable calls for a European peace conference this summer prior to the general assembly's September meeting in New York.

So it sums up to this. By announcing he is ready to bring the U. N. into the picture if necessary, Byrnes is effecting his old Russia and the United States intends to make only one more try at peace-making by the big powers alone. And that kind of peace-making has dominated Russia's approach to all postwar problems.

## Labor Federation To Ask Governor Act at Rochester

Fifty-four Arrests Are Reported, Services Disrupted by Dispute

Rochester, N. Y., May 22 (AP)—The State Federation of Labor says it will ask Governor Dewey to intervene in a week-old dispute between the city administration and former municipal employees which has disrupted most of Rochester's public works department services and resulted in 54 arrests. Harold C. Hanover, secretary-treasurer of the federation, said in Albany yesterday, the state organization would ask the governor to intercede and local union leaders appealed for a general "sympathetic strike."

At the same time, Hanover and Thomas Murray, state president of the federation, asked the city to reinstate 489 public works employees whose jobs were abolished last Wednesday.

Hanover said Murray was attempting to confer with Dewey to ask him to tell Rochester officials that their "attitude is off base and that the municipal employees should be allowed to work and organize freely."

Police arrested 54 men yesterday, most of them former city workers, after they had assembled near the main public works department garage.

Police Chief Henry Copenhagen said the men "hollered and hooted" at crews mending garbage trucks which moved from the garage for the first time since last Thursday.

Those arrested, including three union leaders, were charged with disorderly conduct. Police said they had assembled on a public street and refused to move when requested. Union leaders declared the group had gathered on private property which it had permission to use.

City Manager Louis B. Cartwright, who had announced Monday that the 489 abolished jobs had been "re-created" said 233 former employees had answered a call to return to work yesterday.

The first rowing race held in the United States was in 1811.

## Lines Are Established

Elmont, N. Y., May 22 (AP)—A.F.L. employees at Belmont race track established picket lines at the track gates today in a jurisdictional dispute which union leaders said was a protest against working "side by side with members of a company union." The first A.F.L. men to report were 13 members of the International Brotherhood of Electrical Workers. They stopped at the picket line, and only two of them were

## Collision Case Is Heard in Court Before Schirick

An action brought by Mrs. Lucy LoBianco and her husband, Joseph LoBianco, against the Hudson Transit Corporation and Kenneth Bamberger, driver of a bus, and the International Harvester Company and John Owens, driver of a station wagon owned by the International, was taken up in Supreme Court this afternoon before Justice Schirick and a jury.

The action grows out of an accident which took place in Newburgh on September 4, 1941, at a street intersection. Mrs. LoBianco was riding in a bus of Hudson Transit Corporation when there was a collision between the bus and the station wagon. The bus company claims the cause of the accident was the station wagon which came out of a "stop" street while the International Harvester Company claims the cause was due to operation of the bus.

Mrs. LoBianco suffered a broken arm and an injury to her elbow. Rusk and Rusk appear for plaintiffs and Scott and Sneed and Arthur and Shumate appear for defendants.

Jurors not engaged on the case at trial were excused until 10 o'clock Thursday morning.

No. 61, Sagamore Frocks, Inc., against Kingsley Fashions, Inc., at action for breach of contract, was announced settled. Guido J. Napolitano for plaintiff and Cashin and Ewig for defendants.

No. 159, James A. Natale against Anna Griesbach, an action for personal injuries, was also settled. Frank Campochiaro for plaintiff and A. J. Cook for defendant.

No. 237, Jennie Bebbington against Herman K. Spencer and another, wrongful and malicious prosecution, was also settled. Arthur E. Ames for plaintiffs and Ernest Hirschberg and Ernest Levinson for defendants.

No. M-33, an action for judicial separation brought by Catherine Chicko against John Chicko, was settled. Joseph Avis for plaintiff and George H. Rosen for defendant.

## Police Press Hunt For Liverpool Slayer

Liverpool, England, May 22 (AP)—Police pressed a hunt through-out northern England today for a man who stabbed and strangled an attractive, red-haired manicurist in her salon Monday night while two detectives peered through a ceiling peephole.

The detectives had taken up their positions in an upper room on orders to investigate the use of being made of the premises by the victim, Mrs. Ella Staunton, 30-year-old former beauty contest winner. They said the slaying occurred when Mrs. Staunton and a man who entered the salon while they were on watch passed momentarily out of their line of vision.

They heard Mrs. Staunton scream and rushed downstairs to find her dead and the man gone. Police said 4,000 photographs and descriptions of the suspect had been circulated in northern England and that all roads and railway stations were being watched.

## Quit Deriding Weatherman! He's 28 Per Cent Okay

By ARTHUR L. EDSON  
Washington, May 22 (AP)—You can cut out that nonsense about how many errors the weatherman makes.

For it turns out your weatherman is just like your wife. He is always right.

Well, almost always. The Washington Star has kept a box score on the local weatherman for the past 29 days. The results:

Weatherman ..... 24 5 .88  
"And remember," said R. C. Schmidt, the supervising forecaster, "this is the rainy season. Rain always is rough on the weatherman."

Schmidt and his five helpers might have racked up an even higher percentage of Jerry O'Leary, Jr., the Star's official weather scorer, had been a little more lenient.

But O'Leary was hard boiled in chalking up losses. For example, there was the day Schmidt forecast "occasional showers."

Well, it rained all right, but constantly.

O'Leary consulted his dictionary, verified "occasional" means "infrequent."

That's one of the five decisions Schmidt lost. Schmidt, batting average here is .88, said, any weather bureau is likely to hit it on the nose 81 times out of 100.

"Yes, most people seem to think we're wrong as often as we're right," he sighed, and added, "When you're right, nobody remembers. When you're wrong, everybody forgets."

**Oak Ridge Is Called Major Social Experiment**

Philadelphia, May 22 (AP)—The war-born Oak Ridge, Tenn., community not only built the atomic bomb but it has served as major social experiment in the U. S.

Says Samuel S. Baxter who helped plan the town.

Baxter, during the war, was an Army major in charge of Oak Ridge planning. He is now project engineer in Philadelphia's Department of Public Works.

Baxter told the Engineers Club yesterday that Oak Ridge "was closer to being a perfectly planned community than any other city in the United States."

"Every adult was a worker; there was no indigence. He had a community of 75,000 persons living under military rule with no voice in their city's management or in operation of its local government. X x x everybody was happy. From a social standpoint, Oak Ridge was a complete success."

All World War 2 veterans in the Rosendale area interested in post membership and who would like to attend this social are asked to contact any local post member or officer. Information can also be had by phoning Rosendale 3487 or 2171.

**Colonel Kirk Re-Enlists**

New York, May 22 (AP)—David Kirk, who was adjutant general of the Second Service Command with the rank of colonel until discharged last February, was back in the army today as a master sergeant. He gave his reason for re-enlisting yesterday: "Since my discharge I have been working for \$6,000 a year. Less income tax deductions, this amounts to about \$400 a month. As master sergeant I will draw \$373 a month. Considering retirement privileges, and to worries about finding an apartment, I think I'll be doing very much better in the army." Kirk has made more than 27 years service in the army.

**Auto Dealers' Group Predicts Low Output**

Washington—Even with the prompt ending of the coal strike and the absence of other difficulties such as labor troubles and shortages of supplies, the automobile industry will not be able to produce more than 60 per cent of the 1941 output of new cars during the entire period of 1946, the National Automobile Dealers Association reported today. This would mean an outside estimate of 2,245,000 cars for the year.

The estimate is based on a canvass of the automobile manufacturing industry. A survey of the steel situation indicates that with full capacity production from now on, not enough cold rolled steel can be turned out for more than 2,500,000 cars. During April, new car production was 130,000, just a little more than a week's output before the war.

**Four Kingston Men Enlist in U. S. Army**

Four residents of Kingston joined the army for three years on May 17. Maurice L. Somsen, a veteran of overseas service with the Army Air Forces, reenlisted in his former grade as staff sergeant.

Somsen moved here from Barstow, Calif. Although Somsen had been out of the army over the 90 day limit for re-enlistment in grade, he was able to rejoin with his former rank, due to his military occupational specialty rating of aircraft armorer.

Richard T. Howell, son of Mrs. Myrtle Howell of 35 North Front street made an original enlistment in the infantry. Howell's father is a retired army man.

Raymond Every of 170 Downs street reenlisted as a sergeant, also availing himself of the opportunity offered by the army's need of certain specialists. Raymond was a radar operator during the war.

Francis V. Cullen of Abeel street reenlisted for the corps of engineers. Cullen served with the

engineers in North Africa during the war. He stated to First Sergeant Moir L. Venable of the army recruiting station that he liked army service, and intended to make a career of it.

**Shipboard Malady Kills Three Babies**

New York, May 22 (AP)—Three babies died aboard the brideship Zebulon Vance during its 13-day voyage from Le Havre to New York and 16 others were stricken by an undetermined malady, the New York Port of Embarkation disclosed last night.

All but two of the children were about six months old. Col. John U. Schuess, chief of public relations for the port, said. Names of the infants were not announced. The ailing children have been removed to the Army hospital at Fort Hamilton, Brooklyn.

The vessel, carrying 426 war brides and children from France, Belgium, Poland and Holland, arrived Monday.

Schuess said Army physicians had not yet diagnosed the illness.

## Redeployment

(The Associated Press)

## The World Today

By DEWITT MACKENZIE

AP Foreign Affairs Analyst

If you would like clear guidance as to the basis of the serious differences between Russia on the one hand and America and Britain on the other, you should study the following two paragraphs from Secretary of State Byrnes' report on the Paris meeting of the Big Four foreign ministers:

"Security is the concern of every nation. But the effort of one nation to increase its security may threaten the security of other nations and cause them in turn to try to increase their own security. The quest for security may lead to less rather than more security in the world.

"It is in truth extremely difficult to know to what extent the action of any nation may be ascribed to its quest for security or its desire to expand. But some so-called checker-board have not contributed to a general sense of security."

Secretary Byrnes leaves it to us to dot the I's and cross the T's. Still, without trying to read his mind, one finds plenty of light in this brief statement and the situation looks to me about like this: The war drew us into a close tie with the world outside and we became many readjustments—some territorial and others in the zones of influence—in order to provide security for all nations. Naturally many of these readjustments were aimed at security against any possible rebirth of German military power, and there was general agreement among the United Nations that such precautions were legitimate. Also because Soviet Russia was emerging as the colossus of the eastern hemisphere it was tacitly conceded that her new status called for widespread changes.

### Needs Are Obvious

As time has passed there have been differences of opinion among the Big Three as to the exact extent of the readjustments necessary for security. Actually there should

not be any vast divergence of views, because the needs of security are fairly obvious to experts. However, as this column has been pointing out, the readjustments which had been expected by the world at large were achieved for the most part some time ago. Russia pushed her zones of influence far westward into central Europe and down into the Balkans. Her desire for entrance into the Mediterranean from the Black Sea also was freely acknowledged as legitimate.

But Moscow has continued to push and reach, thus inevitably creating the question in the minds of the western Allies whether the Soviet Union was bent on expansion beyond the needs of security. On the other hand, Russia has made it clear that she thinks Britain and the United States are trying to prevent her from achieving her legitimate ambitions.

Thus there have been suspicions on both sides. And those doubts have kept increasing and registering themselves in the international conferences.

One of the most serious differences of the moment relates to the Soviet ambitions in the Mediterranean. The question has arisen in the camp of the western Allies whether Moscow is aiming, not merely at gaining free access to the Mediterranean but at assuming a position of dominance in that great inland sea through which passes England's imperial life-line to the east. That of course would be a direct challenge to British security and Uncle Sam, for the sake of his own security if for no other reason, can't afford to see John Bull crippled.

So we finally have arrived at the time when the western Allies are calling for a slow-down and a show-down. They have decided that they will give no more ground that isn't necessary for Russian security. America's attitude was clearly put by Secretary Byrnes when he said:

"We must not try to impose our will on others, but we must make sure that others do not get the impression that they can impose their will on us."

### Boys' Secretary Will Be Employed Full Time at 'Y'

Clarence Corell, boys' work director at the Y.M.C.A. in Nashua, N. H., has been extended a call by the Board of Directors of the Kingston Y.M.C.A. to become head of the boys' division at the local "Y."

The extending of the call to Mr. Corell was announced at the meeting of the Board of Directors held at the association Tuesday evening, by Chester B. Baltz, chairman of the boys' activities, and A. B. Shufeldt, chairman of the personnel of the "Y."

The board re-elected Clarence S. Rowland, Lloyd LeFever, Stanley Matthews and James Rowe as members of the board.

Chester B. Baltz was named chairman of the nominating committee to recommend a slate of new officers to be elected at the annual meeting the third Tuesday in June. The annual meeting will be preceded by the serving of a cafeteria supper at the "Y."

The decision to employ boys' work secretary at the "Y" followed the report of the financial drive held recently under the direction of Dwight McEntee, Sr., as general chairman, which closed with \$16,472 collected in pledges and cash.

James Guttridge, chairman of the house committee, was instructed to have the work of redecorating the rooms of the boys' division done as quickly as possible, as well as redecorating the Youth Center.

### Y.M.C.A. Will Hear Foreign Secretary Speak Thursday

John Young, a general secretary of the Y.M.C.A., who spent five years in Hawaii, will be the guest speaker at the lobby party for the members of the local Y.M.C.A., their families and friends Thursday evening at 7:30 o'clock.

Mr. Young will show colored movies of Hawaii, and will give an interesting address on his experiences as general secretary in one of the "Y's" in Hawaii. He also spent several years in China, and will leave shortly for Japan where he will have charge of the only "Y" building left standing in that country after the war.

### Tennessee Democrat Gets Extortion Note

Memphis, Tenn., May 22 (AP)—Political Leader E. H. Crump has disclosed receipt of an extortion letter threatening him or his wife with death unless he pays \$50,000.

The white-haired Tennessee Democratic politician said the crudely pencilled note was delivered to his home Saturday—a special delivery with four cents postage.

Partly printed and partly scribbled, the note demanded that the money be put in a brown brief case, "mostly in small bills," and paid May 20 at a time and place to be designated later.

It was postmarked from a Memphis postal station and signed "Revised Capone Inc."

Crump said he had received no further instructions and had made no effort to comply with the demands.

## Dutchess Deputy Addresses Session At Training School

Deputy Sheriff Larry Quinlan of Dutchess county, a graduate of the F.B.I. refresher school, addressed the fourth weekly session of the Basic In-Service Training School, last night at the court house. Approximately 75 persons attended.

Deputy Quinlan gave a comprehensive talk on note taking, report writing, charting and drawing, emphasizing the need for accuracy and detail. Notes, drawings and charts must be foolproof, Quinlan said, because in many cases long periods of time elapse between the time of the incidents and the trials.

Date for the next session, originally scheduled for Tuesday, May 28, will be held instead on Wednesday, May 29, in order to avoid conflict with the annual meeting of the state law enforcement agencies at Bear Mountain. Sheriff George Smith said the local office would be represented.

Two F.B.I. pistol experts will give a demonstration at the New York State Armory next Wednesday. The meeting will be held in order to provide adequate shooting ranges.

Sheriff Smith said the two experts appeared at the municipal auditorium last year in connection with the annual police department school. They will demonstrate a variety of standard and rapid pistol shots and the use of firearms under unusual circumstances.

## Guards Water Meter

Sparta, Tenn. (AP)—Merrill Klein, Sparta's official water meter reader, tells of a toad that back in October, 1941, hopped into a meter box sunk in the ground and has been living there ever since. Thin during the winter, the toad fattens during spring and summer on insects that fall through the roof of the box, Klein says.

## Vice President

A. P. HALL

A. P. Hall has been elected vice president of American Chain & Cable Company, Inc. Before joining the company in 1944, he had been in the steel industry for 22 years and is well known in the metal and allied fields. He will continue his present duties as general manager of sales, and his headquarters will remain at 230 Park avenue, New York city. Born in Kingston, N. Y., he was graduated from the Kent School in 1918 and from Princeton University in 1922. During World War I he served in the Army and became an officer in the Field Artillery Reserve Corps.

## Gene Ross Named Principal of New School District

Gene Ross of Monticello has been appointed supervising principal of the newly-formed Consolidated School District No. 1 of the towns of Neversink in Sullivan county and Denning and Wawarsing in Ulster county.

This consolidation is the largest of its kind in New York state, and was organized through the efforts of the residents to improve the educational facilities in the area.

Mr. Ross is regarded as highly qualified to supervise this school system because of his ability as an organizer, his many rural contracts and his wide experience with young people.

The new principal has been field executive for the Orange-Sullivan Council of Boy Scouts of America for three years. Before taking up the job as field executive for the Scouts, he taught in Roscoe Central School.

A graduate, cum laude, of La Salle, Mr. Ross secured his Master's degree at Niagara University, which he attended on a fellowship. While at Niagara, he taught American history and economics. Later, Mr. Ross attended New Paltz State Teachers' College, securing elementary certification and working in the field of rural education. He is now working toward his Ph. D.

Mr. Ross is married and the father of two boys. His particular hobby is creative writing.

## Hannegan Called To Party Powwow To Deny 'Purge'

Rayburn Says Session Was Requested by Democrats; Leader Raps Dewey

Washington, May 22 (AP)—National Democratic Chairman Robert E. Hannegan was called up on the political carpet again today to assure restive party members that he isn't in cahoots with any "purge" plans for the coming elections.

Speaker Rayburn (D-Texas) announced merely that the closed powwow was arranged (for this afternoon) at the behest of Democrats often critical of Hannegan. He said Hannegan will talk things over with a "harmony" committee named by a party caucus two months ago.

Other party leaders reported, however, that the session's chief purpose is to convince dissident Democrats that national officials plan no "purge" of legislators who have frequently voted against the administration.

These leaders, who asked not to be named, said that despite Hannegan's previous "no purge" pledge, some of their colleagues want further personal assurances from him on the subject. They also want to question him about other matters.

Rep. Domeneaux (D-La.) told a reporter "we want to find out how much authority the C.I.O. has at national headquarters and whether they (the union leaders) are running the party or we real Democrats are."

His comment was typical of that by other southerners disturbed by what they regard as undue C.I.O. influence in party affairs.

## Foresees Dewey Defeat

New York, May 22 (AP)—Paul E. Fitzpatrick, Democratic state chairman, believes Gov. Thomas E. Dewey can be defeated in the November elections "as badly as any Republican governor has ever been beaten," if the Democrats "capitalize on what we have learned in the last two weeks."

In an interview yesterday on his return from a swing through 20 counties in western and central New York, Fitzpatrick predicted his party would "cut down" the

vote for Dewey in the upstate area in the 1944 presidential election, and added:

"On that basis we might as well call the election off. Dewey can't win."

Gov. Dewey has not as yet announced his intention of running for re-election.

Fitzpatrick resumes his tour today, conferring with party workers at Goshen in Orange county and New City in Rockland. He plans to visit Nassau county tomorrow, and Kingston and Poughkeepsie on Friday.

Fitzpatrick said the strike situation had hurt the Democratic party but added he was confident the labor situation would be cleared without adverse effect on the party.

### 'Big Navy' Backers In House Irked By Committee Cut

Original Request Based on Bill Passed Last Year; Called for 1,079 Ships

Washington, May 22 (AP)—House "big navy" advocates scowled today at an Appropriations Committee decision to trim 114 fighting ships from the proposed post-war fleet.

They pointed to Navy figures showing that the \$4,639,659,000 recommended by the committee would provide for the operation of 965 combatant vessels compared with the 1,079 the House voted unanimously late last year as its suggestion.

The Navy's original request for \$6,325,000,000, which the Budget Bureau trimmed to \$4,224,000,000, was designed to provide and back up the 1,079 figure.

Chairman Carl Vinson (D-Ga.) of the Naval Committee and Rep. Sterling Cole (N. Y.), top Republican member, told reporters they had not yet decided what to do about the Appropriations Committee action.

But there were indications that either Vinson—who wrote last year's postwar fleet bill—or other Naval Committee members would seek to restore at least part of the Navy's original request when the House starts debate tomorrow.

The biggest reduction in naval strength ordered by the committee is in the destroyer escort category.

## Hirohito Pleads For Co-operation

Tokyo, May 22 (AP)—Emperor Hirohito today invested Japan's third post-war cabinet, and Premier Shigeru Yoshida pleaded for co-operation between the Japanese government and people "to save

the nation by their own united efforts."

Yoshida said the new government is determined to dispose of a variety of critical problems facing the nation and "will boldly proceed with the execution of policies which are already thorough-going in character and scope."

The task may not proceed

smoothly, the premier acknowledged in a statement and explained "unfortunately, so far I have not been able to obtain positive

support of other parties." Left-wing factions stubbornly have opposed both Yoshida and his cabinet appointees.

# Chez Emile and Perrys Seek First City League Win Tonight; Recs After Third Win Over Voughts in Opener Next Thursday

## Strong Stratford Nine Will Help Start New Season

## Appropriate Pre-Game Ceremonies Will Open 1946 Local Season at City Stadium

The Kingston Recreations will be seeking their third straight victory over the Chance Vought club of Stratford, Conn., next Thursday night at municipal stadium when the local semi-pro diamond season makes its debut.

Although definite arrangements have not been completed as yet, it is understood that the usual pre-game ceremonies will be held prior to the call of "Play Ball."

Local club officials are looking forward to a packed stadium when the lights go on next Thursday, Memorial Day Night, at the up-and-coming ball park. "We're bringing the Voughts back for this gala evening game," a Rec spokesman said today "and we feel sure local fans will approve." The Stratford team played two games here last year and proved to be one of the most popular semi-pro clubs ever to play at the stadium.

**Pezullo to Pitch**  
In the two appearances here during 1945 the Chance Vought club was beaten 2 to 1 and 6 to 2. Bill Lohman, the former Giant, Cardinal and Dodger hurler, worked both games for the Recs. Johnny Pezullo, erstwhile Philadelphia Phillie pitcher, took the slab for Voughts. He is expected to start against the Recreations next Thursday night.

Local fans will undoubtedly remember the first Kingston win over the Voughts when "Chuck" Cronin stole home with the winning run in the ninth inning. In the second meeting the Recs had an easier time of it when they topped Pezullo for three runs in the first inning and then continued to score against Wilbur Robinson, southpaw, who relieved Pezullo.

Opposing Pezullo next week will be George Nicholas, a righthander who has a good record in semi-pro ball with New York clubs. He has pitched for the Long Island City nine, Mount Vernon Scarlets, Kings Park, the Buschicks and the Major League All Stars.

The rest of the Recreation lineup will include Joe Wahl, first base; Johnny Gentile, second; George Pederson, third; and Bill Shelley, short. The outfield will have Steve Ristau and Frank "Babe" Bambara. The other Rec fly-chaser has not been named as yet due to present negotiations going on for Dick Whitesell of Poughkeepsie and Tommy Maines of Kingston. Whitesell has been playing great ball for the Bridge City Roe Movers and Recreation officials hope to "land" him for the opening game here next week.

Either Joe Job or Lou Motzer will work behind the plate for Kingston. Johnny Needham, who also has an imposing record with New York clubs, will be ready to handle any relief duties if needed.

The Chance Voughts will start the game with Johnny Michaels at first; Andy Caginallo, second; Jerry Pepper, third and Chick Lubas, short. The outfield will have Buddy Nash, Bruce Baker and Jimmy Carneau. Pezullo and Jimmy Noonan are expected to form the battery for the visitors.

Local fans also are looking forward to the first Wednesday night home attraction of the Recreations when the famous Homestead Grays will appear here. This stellar attraction is slated for June 5 and the Grays will have a selling rapidly, presaging another full house.

Fans desiring to pick up their ringside seats to avoid waiting on light night may do so at the auditorium box office Monday, Tuesday and Wednesday from 1 to 5 p. m. Orders are received at 5018.

**Heavy Entry List**  
New York, May 22 (AP)—The total entry list for the National Open Golf tournament to be played at Cleveland, June 13-15, is 1,165—sixth largest in the 51-year history of the meet. Only 170 of these golfers will be on the firing line when the shooting starts at Cleveland's Canterbury course.

## Boxing Card Is Almost Complete For May 29 Show

With the exception of one preliminary the card of B'nai B'rith boxing bouts for Wednesday, May 29, in the municipal auditorium is as follows:

**Five Rounders**  
Jimmy Rouse, Albany Diamond Belt champion vs. Harold James, heavyweight from Cleveland, Ohio.  
Joe Mario, Albany, who defeated Jimmy Stevens, Golden Gloves welter champ vs. Jimmy Eulid, another Cleveland Golden Gloves luminary.  
Carlo Litts, Albany, U. S. Army champion in Italy vs. Paul Hawks, Beacon welterweight, veteran of 80 fights.  
Carmine Virgilio, Poughkeepsie vs. Jimmy Bowman, Cleveland Golden Gloves bantamweight champion.

**Three Rounders**  
Johnny Gibson, Albany vs. Irv Van Kleeck, Kingston boy making a comeback.  
Pat Bowers, Kingston lightweight vs. Johnny Rowland, Albany, who defeated Bobby Bowers.  
The other three round bouts will be announced tomorrow.

Tickets for the May 29 show are selling rapidly, presaging another full house.

Fans desiring to pick up their ringside seats to avoid waiting on light night may do so at the auditorium box office Monday, Tuesday and Wednesday from 1 to 5 p. m. Orders are received at 5018.

## Freeman Summer League

Roland Post highlighted matches in the Freeman Summer Bowling League at the Central Recreation alleys last night with a crushing 597 series on games of 196, 219 and 182. His hefty triple paced Team 2 to a pair of wins over Team 4. Tom LaPolt was high for the losers with a 553 three-timer.

Team 3, despite the lack of a 500 series, took two from Team 1 and remained in first place. Jack Hartman posted 478 for the winners while Charlie Tiano punched through with a 508 for Team 1.

The standings to date:  
Team 1 ..... 8 4 .667  
Team 2 ..... 7 5 .583

**Changes Slated For Softball Loop**  
Bruins, Jacobson Shirts and Oilers Involved

The following changes in playing rosters of City Softball League teams have been announced by Sid Lutzin, recreation department superintendent.

The Texas Lunch Bruins have released C. Robinson and added Paul Freer. Jacobsons have added F. Nagy and W. Whispell while releasing R. Carey and E. Carney. The Berardi Oilers also have acquired two new players in C. Buckman and H. Roosa while announcing the release of Jack Berardi and J. Nalepa.

**Yesterday's Stars**  
(By The Associated Press)  
Earl Johnson, Red Sox—Hurled five hitless relief innings and drove in two winning runs with eighth inning double for 6-4 victory over Detroit.

Bobby Feller, Indians—Pitched four and two third no-hit innings in whipping Yankees, 7-2, for second straight time, striking out eight.

Ron Northey, Phillies—Touched off three-run uprising in sixth inning with third homer of year as Phils dumped Cards, 4-3.

Joe Grace, Browns—Hammered Philadelphia pitching for four hits, including one double, in four at bats, scoring twice as St. Louis shaded Philadelphia, 4-3.

## Bowling Committee Is Feted

Members of the bowler's committee who arranged the recent reception for Kingston's G.I. keglers at the municipal auditorium were feted at the Stuyvesant Hotel Tuesday evening at which time final reports were given.

A report given by Peter Keresman, general chairman, showed that the committee had sponsored the event with only a \$5.96 deficit. A total of \$1,144.71 was spent for the affair as against total receipts of \$1,138.75. Those attending the final meeting were Reta Frederick, secretary; Addison Jones, president of the Kingston Bowling Association; Peter Keresman, general chairman; Evelyn Dolson, president of the K.W.B.A., and co-chairman; Rose Schatzel, president of the Mixed League; Jack Martin, president Central Rec League; Bill Mohr, Nacando president; Harry Gray, president of the Federation League; and John Haas, president of The Freeman League. **Newburgh Clubs Hold Margin In Mid-Hudson Baseball Loop**  
The Newburgh Grandstand Tavern, Shapiro Jewels, Stewart Field and Wappingers Falls scored opening day victories in the newly-organized Mid-Hudson Baseball League Sunday afternoon.

Playing at Recreation Park in Newburgh, the Grandstand Tavern scored an easy 13 to 4 victory over the Poughkeepsie Barh-Al-Allan club in the opening game of the double-header and in the nightcap the Newburgh Shapiro Jewels blanked Barh-Al-Allan 8 to 0.

Joe McCormick hurled Newburgh to the opening day triumph as he pitched seven-hit ball. Big Bob Kuhn, former Poughkeepsie High School flinger, worked for Barh-Al-Allan and was charged with the loss. Jerry Verlinger toed the slab for the Jewels in the second tilt and scattered five hits to hand-tilt Poughkeepsie. Ed Moran was charged with the defeat.

A big five run rally in the ninth inning "iced" the decision for the Stewart Field Panthers Sunday in their engagement with the Beacon Recs by the score of 8 to 1. Peterson hurled for the winners. Moy was charged with the loss.

Behind the six-hit pitching of Joe Dalbo, the Wappingers Falls Crusaders successfully opened their league play with an 8 to 4 victory over the Millbrook Giants in a game at Millbrook. Dalbo hurled five and one-third innings before Atkinson came on to relieve. Jim Gordon started for Millbrook but gave way to Walt Patrice. The Crusaders had two big innings when they pushed across four in the fourth and three in the eighth.

**Grandstanders Here Next**  
The Gov. Clinton Market team will attempt to open their league schedule Sunday afternoon, June 2, at the municipal stadium when the Newburgh Grandstand Tavern team will appear here. The Clintons were idle Sunday due to wet grounds at the uptown ball park. The local league franchise had been slated to open against the Ferriss Tavern nine of Arlington.

## Bob Bush Named To Oppose Chick; Game Starts 6:15

Both the Chez Emile and Perry's Service Station ball clubs will be looking for their first win in City League action at the municipal stadium tonight. Chez Emile has dropped two encounters thus far while Perrys have been beaten in one start. The game is slated for 6:15 o'clock.

Thursday night Old Capital Motors are scheduled to cross bats with Manager Ed Murphy's Grunewald Bakers. Both teams won their opening games. Grunewalds walloped Perrys 12 to 0 in their first game while the Capitals were awarded a forfeit from Chez Emile.

**Lost on Forfeit**  
The Chez Emile won their game about a week ago but due to a loop ruling calling for nine men to be on the field at the start, the club had to forfeit the decision to Old Capitals. Chez Emile had won the regular contest by 10 to 2. In the other contest the team, then known as Entels, lost a 5 to 4 game to the Gov. Clinton Market.

Perrys suffered a 12 to 0 shellacking at the hands of the crack Grunewald club earlier in the schedule when young Tom Fisher carved himself a masterful one-hit job.

Tonight's clash will probably find Bobby Bush working against Julius Chick in this City League clash. Bush hurled that 10-2 "win" over the Old Capitals. He displayed plenty of his old-time form in that start and is expected to put the club back on the winning road tonight. Chick lost his opener to Grunewalds.

The following averages, including batters hitting .500 or more for the first two weeks of league play, have been compiled and reported by Paul Freer:

**AB R H Avg.**

## Gippert-Ricketson Nuptials in Saugerties

Miss Mildred Ricketson, daughter of Mr. and Mrs. Clinton Ricketson of Parition street, Saugerties, was united in marriage to Milfred Gippert, son of Mrs. Naomi Gippert of Cedar street, Saugerties and the late Charles Gippert, Sunday at 2 p. m. The Rev. Dr. D. Kullman performed the ceremony in the Atoneinent Lutheran Church, Saugerties.

The church was decorated with dogwood, spirea and white iris. Mrs. Arthur Van Elten, organist, played a program of wedding music and the wedding marches.

Clinton Ricketson, Jr., gave his sister in marriage. She wore an aqua afternoon dress with white flowered hat and corsage of pink roses and lilies of the valley. Miss Mildred Gippert, sister of the bridegroom, as maid of honor wore a gold dress, white flowered hat and corsage of talisman roses.

Charles Gippert was best man for his brother. Ushers were Glenford Genthner and Richard Genthner, cousins of the bridegroom.

Following the ceremony, the bride couple received their friends in the vestibule of the church. Afterward a luncheon and reception for the immediate families was held at the home of Mr. and Mrs. Charles Gippert of Robinson street, Saugerties. Afterward the bride and bridegroom left for a wedding trip to Albany and northern New York state.

Mrs. Gippert has been employed at the Paramount Pharmacy. The bridegroom, a veteran of World War II served in Europe. He is a baker employed by the Corner Bakery, Saugerties. They will make their home in Saugerties.

## Walter Robinson Will Wed New York Student

New York, May 21 (Special)—Walter Robinson, a mechanical engineer, of 35 Mountain View avenue, Kingston, and Miss Theresa Gottfried, a student, of 325 West End avenue, New York, obtained a marriage license at the city clerk's office here today.

The couple said their marriage would take place on June 9. Mr. Robinson was born in Austria, the son of Edward and Malvine Karpen Robinson. His bride, the daughter of Lazaro and Lea K. Gottfried, is a native German.

## Negro Soprano Will Be Soloist at First Dutch Choir Concert

ADELE ADDISON

Miss Adele Addison, Negro soprano and protegee of Dorothy Maynor, will be the guest soloist at the annual Spring Concert of the First Dutch Reformed Church, Kingston, Friday night, 7:45 o'clock. The program which is secular will be given in the chapel and will climax the Dutch Fair of the church which started today. The public is invited to attend.

Miss Addison, a native of Springfield and a senior at Westminster Choir School, Princeton, N. J., was highly praised last week by Evert C. Larson writing for the Springfield Union of Springfield, Mass. She with Donald Dame, Julius Huehn and Arnold Kent of the Metropolitan Opera Co. were chosen as guest soloists for the annual concert of the Classical High School choral club and orchestra in Springfield Friday night. She sang several of the soprano solos in "The Redemption" by Charles Gounod which was presented that evening.

In reviewing the concert Mr. Larson reported that "Miss Addison possesses the most gifted and beautiful feminine voice to have come out of Springfield, and surpasses, both in technique and quality, many professionally famous sopranos." Anticipation reigned all throughout the program for her reappearance. All too infrequent were her contributions. Miss Addison will be accompanied by a national figure in music. She should be heard in the concert which is under the direction of Miss Sue Merriam, minister of music. They will be included in the Cherub Choir, pre-school and early grade boys and girls, Carol Choir, junior girls; Boys Choir, junior boys; Angelus Choir, intermediate girls; Motet Choir, senior choir. Mrs. Raymond Rignall will be the accompanist.

## Saugerties C.A.R. Visits

Kingston Group and Museum Members of the Christian Myer Society, Children of the American Revolution, of Saugerties, were guests of the local Christopher Tappen Society at the Wiltyck Chapter D.A.R. House Saturday afternoon. The two groups visited the Senate House and Senate House Museum.

Returning to the chapter house a short meeting was held with Miss Mary Elizabeth Empringham, president of Christopher Tappen Society presiding. She introduced Miss Diana Poneck, president of the Saugerties group, who gave a brief sketch of Christian Myer for whom her club is named. Miss Empringham gave an account of Christopher Tappen. Mrs. William Macgregor Mills, senior president of the local group, also welcomed the visitors. At the close of the afternoon refreshments were served.

The Christopher Tappen Society has been invited to be the guests of the Christian Myer Society at its annual pilgrimage in June.

## Cadet David Lane Is Member of West Point's June Graduating Class

DAVID S. LANE

Among the cadets being graduated from the United States Military Academy in June, is David S. Lane, son of Mr. and Mrs. M. Donald Lane, 36 Mountain View avenue. A graduate of Kingston High School, Lane attended Princeton University, Princeton, N. J., prior to receiving his appointment to West Point from Representative Jay LeFevre of the 27th New York District. During his first class year, he was made a cadet sergeant, and was a member of the Glee Club and Choir. Upon graduation, he will receive his commission in the ordnance department.

The present graduating class will be the largest in the history of the academy: 210 air cadets will be graduated with their wings; 54 commissioned in the Corps of Engineers; 49 in the cavalry including armored force; 125 in field artillery including armored force; 71 in coast artillery corps including anti-aircraft and sea coast artillery; 35 in ordnance; 236 in infantry including armored force and tank destroyers; 62 in quartermaster corps; 26 in signal corps and seven in chemical warfare service.

It is interesting to note that, of 15,286 graduates since the founding of the academy in 1802, approximately 10,500 are now living. Of this number, about 89 per cent are on active duty, serving all over the world.

## Solo Interpretation Of Student Prince Will Be Given at 'Y'

"The Student Prince" which will be given by Geraldine MacLane in an "operetta petite program," May 27, at the Y.W.C.A., is the Americanization of Alt Heidelberg. Written by Sigmund Romberg it was first given in 1924 and tells the fairy tale of perfect love recognized by a king who came to aid the poor and poverty.

Its most popular numbers, "Deep in My Heart, Dear" and "The Drinking Song," are still favorites today. Miss MacLane, contralto, is 24 years old. Her voice was discovered seven years ago by Dr. Henry J. Foan, organist, voice analyst and conductor and former organist of St. Paul's Cathedral in London. He has studied at the London, Paris, Milan and Leipzig conservatories. Since her debut with Dr. Foan as her musical director, Miss MacLane has given more than 1500 performances largely in the metropolitan area. She has appeared before college women's clubs and other organizations and according to newspaper critics in New Jersey which is her home, "She has the largest and certainly most enthusiastic following in the state."

Tickets for this program which is sponsored by the Business and Professional Girls' Club of the Y.W.C.A. may be purchased from any member of the club or at the "Y."

(Author of "Etiquette," "Children Are People," etc.)

**GRADUATION INVITATIONS OBLIGATE NO ONE**  
"Will you please print again that invitations sent out for graduation exercises do not require anyone's sending a gift. Many people here still think the invitation carries this obligation although I distinctly remember reading that you said it did not."

The assumption of this writer is correct. The invitation of itself never carries an obligation to send a present. However, it does suggest to a member of the family or an intimate friend who would like to send a present that the time has come to send it.

## Complicated Wedding Cards

Dear Mrs. Post: In the case of our son, who is going to marry here in our church his English fiancée, now en route, shouldn't we, his parents, send the invitations in our names instead of her family's who could not accompany her? We are giving the reception afterward at our house and would like to send wedding announcements to many people who can not be asked. Shouldn't all these wedding forms be in our names?

Answer: The invitations would have to be sent in your names. This would not prevent announcements from being sent by her family to their people and friends abroad and even to your general list here, but not, of course, to those whom you are inviting to the wedding.

**"Jr." Correct for Adopted Child**  
Dear Mrs. Post: Is it improper to name an adopted son "Jr." for his father (my husband)? We had thought adopting him legally made him the same as our own and that, therefore, we could do this. A friend told me it was wrong.

Answer: If you are giving him your husband's identical name, there is no way of separating his name from that of his "father" except by adding "Jr."

## No Definite Rule

Dear Mrs. Post: If only one initial is used on handkerchiefs, which initial should this be? Answer: The initial of the last name always for a man and usually for a boy. The initial of the first name often is preferred by young girls and occasionally (but not quite as suitably) by older women.

How early are invitations to a wedding mailed? The answer is found in Mrs. Post's leaflet, "Wedding Invitations and Announcements," obtainable for a 3-cent stamped, self-addressed envelope sent to her in care of The Kingston Daily Freeman, P.O. Box 99, Station G, New York 19, N. Y.

## Men Are Honored

## At Couples Club Meeting

Men's night was observed Tuesday by Clinton Avenue Methodist Couples Club as the women of the organization took charge of planning the evening. The meeting was held in Epworth Hall and opened with community singing led by George Miller with Mrs. Raymond Ingersoll at the piano. George Miller and Vernon Miller sang a familiar hymn as a duet.

Robert Messinger was guest soloist of the evening singing, "Sea Fever, Mark Andrew; On the Road to Mandalay, Oley Speaks; When I Have Sung My Songs to You, Ernest Charles. Miss Ingersoll accompanied him.

Several records, as were played including "Valse Triste," and "Finlandia" by Sibelius and "O, Rest in the Lord," from Mendelssohn's "Elijah," and "But the Lord is Mindful of His Own," from the same composer's "St. Paul," sung by Marian Anderson.

During the short business meeting plans were made for the covered dish supper picnic at Forsyth Park, June 18. There were three guests attending the meeting, Mr. and Mrs. Alfred Messinger and Mrs. Irving Weniger.

Committees who planned for the evening were Mrs. Raymond H. Woodward, Mrs. Byron Chatham, Mrs. Floyd Spencer, Mrs. William S. Jackson, program: Mrs. John Pope, Mrs. Vernon Miller, Mrs. Warren Smith and Mrs. John Barton, reception: Mrs. Charles Rose, Mrs. Charles Kelder, Mrs. Arthur Crist and Mrs. Edward Carson, refreshments.

She was elected on the basis of character, scholarship, teaching ability, leadership, contributions to the college, cooperation, personality and initiative. Her court was comprised of Mary Benjamin, Catherine Butler, Mary Gilles, Doris Hotelling, Celi McDermot and Shirley Smith.

## Collision Case Is Heard in Court Before Schirick

An action brought by Mrs. Lucy Lobianco and her husband, Joseph Lobianco, against the Hudson Transit Corporation and Kenneth Bamberger, driver of a bus, and the International Harvester Company and John Owens, driver of a station wagon owned by the International, was taken up in Supreme Court this afternoon before Justice Schirick and a jury. The action grows out of an accident which took place in Newburgh on September 4, 1941, at a street intersection. Mrs. Lobianco was riding in a bus of Hudson Transit Corporation when there was a collision between the bus and the station wagon. The bus company claims the cause of the accident was the station wagon which came out of a "stop" street while the International Harvester Company claims the cause was due to operation of the bus. Mrs. Lobianco suffered a broken arm and an injury to her elbow.

Rusk and Rusk appear for plaintiff. Rusk and Shumate appear for defendant.

Jury not engaged on the case at trial were excused until 10 o'clock Thursday morning.

No. 61, Sagamore Frocks, Inc., against Kingsley Fashions, Inc., an action for breach of contract, was announced settled. Guido J. Napolitano for plaintiff and Cassin and James for defendant.

No. 153, an action for damages against Anna Greshbach, an action for personal injuries, was also settled. Frank Campochiaro for plaintiff and A. J. Cook for defendant.

No. 237, Jennie Bebbington against Herman K. Spencer and another, wrongful and malicious prosecution, was also settled. Arthur E. Ames for plaintiffs and Henry Hirschberg and Ernest Levinson for defendants.

No. M-33, an action for judicial separation brought by Catherine Chicko against John Chicko, was settled. Joseph Avis for plaintiff and George H. Rosen for defendant.

## Public Hearings Open On Milk Price 'Spread'

Albany, N. Y., May 22 (AP)—The first of six public hearings by the New York State Temporary Commission on Agriculture on the milk price "spread" and milk marketing costs will be held in Watertown tomorrow.

Other hearings will be held in Syracuse, Friday; Batavia, Saturday; in Oneonta on June 5; Poughkeepsie on June 6, and New York city on June 7. The commission, which made a study of state agriculture last year, was continued by the 1946 Legislature with an appropriation of \$200,000.

## Stalin Says Russia Can't Give More

Continued from Page One

The Soviet Union could be counted on as a participant. Stalin's reply to Truman was published as millions of Soviet farmers toiled to get maximum crops in 1946.

**Decree Is Approved**  
Stalin only a few days ago approved a special decree of the Council of Ministers ordering the planting of land where winter wheat crops perished and its immediate re-sowing with spring wheat. The Ukrainian Communist party at the same time officially recognized Stalin's personal interest in pushing work on this year's Ukrainian bread crops.

The same issue of Pravda which published Stalin's statement today quoted a prominent agricultural expert as saying that this week was a critical period for crops.

"Our task," he said, "is to finish sowing spring wheat in Siberia and elsewhere, speed up oat sowing and finish planting potatoes. The critical days have arrived."

Rumors that Russia had turned down the President's appeal came from Washington last Saturday, but there had been no official word prior to the Moscow broadcast last night. Unofficial Washington reports last week-end said Mr. Truman apparently still had hopes of getting Russia to reconsider her position on the world food problem.

A Moscow broadcast last Saturday said Russia had pledged to deliver more than 1,000,000 tons of grain to Finland, France, Poland and Romania during the first year of peace.

**Wheat Bonus Extension**  
Beyond 25th Expected

Washington, May 22 (AP)—With available cereal supplies still running far short of this country's promises to famine areas, the government is expected to extend its 30-cent-a-bushel wheat bonus beyond the May 25 expiration date.

Top Agriculture Department officials decline to comment on this possibility, but they conceded that the bonus offer has not brought in the amount of wheat urgently needed to meet export schedules for the remainder of May and June.

The government had hoped to obtain at least 100,000,000 bushels of wheat from farmers by means of the bonus, offered in addition to the ceiling price on the grain. However, on the basis of wheat sales up to May 17, it appeared that not more than 70,000,000 bushels would be obtained by the date set for withdrawal of the bonus. Sales to the May 17 date totaled 43,397,000 bushels.

Officials said the movement of wheat from farms to market had been delayed in some areas by a lack of elevator space. Some local grain elevators are unable to buy wheat for the government because they have no place to put it. These elevators were said to be located principally on branch railroad lines and unable thus far to get railroad cars for shipment of grain already on hand.

Thus extension of the bonus would give farmers affected by the car shortage additional time to take advantage of the offer.

Some officials fear withdrawal of the bonus before harvest of the new wheat crop might result in a virtual halt in movement of wheat off farms.

**State Picks Locks**  
At Apartment House

New York, May 22 (AP)—The state resorted to lock picking last night to gain entry to 37 apartments in a resort hotel at Long Beach seized under the State Emergency Housing Act to provide shelter for persons made homeless by a recent fire.

When Pauline Goldman, manager of the President Hotel Apartments, refused to give Walter Van Nostrand, representative of the State Division of Housing, the keys to the apartments, Van Nostrand summoned Abe Kupchick, 64-year-old locksmith.

Kupchick removed the locks and replaced them with new ones. Miss Goldman called police, but the police said state authorities had proper authorization papers and remained to watch Kupchick work.

Five families were housed late last night, and nine others assigned.

Kupchick said this was "certainly something new for me—a wholesale lockpicking job, with the government looking on."

## Sino Forces, Reds Battle for Cities

chiefly for Szechuan, and days of slow progress as the government troops plodded north fought with horse-drawn equipment preceded the capture of Kungchuling. The push started as the Communists moved on Changchun in mid-April when the Russians withdrew their occupation troops from the Manchurian capital.

General Tu told the press that three armies and 15 brigades of "bandit troops" totaling 110,000 men originally stationed at Szechuan were preparing to attack Kaiyuan and Chengtu.

A Central News (Government) Agency dispatch received in Nanking reported that the Communists had captured Antze, a town near Tientsin on the Peiping-Tientsin Railway.

In Peiping, the Chinese ministry of information said the Communists, apparently attempting to seize the Chengteh-Chingchow railroad, drove to Hsinhsing, 10 miles north of Chaoyang. It said the government garrison was isolated.

The ministry said the same Communist troops captured Pehiao, 20 miles northeast of Chaoyang.

Eight Red brigades were reported concentrated around Pingchuan, 100 miles to the southwest, and were besieging the nearby village of Wutuchai.

The government reported that the railroad linking Lingchuan, Chaoyang and Chinghsien already had been cut. Lingchuan is 60 miles southwest of Chaoyang.

The Peiping Chronicle carried a dispatch from Tsinan saying the Communist members of a ceasefire team suddenly departed Tsinan when Communist forces were reported advancing on the isolated Shantung Province capital from three directions.

Creating doubt as to whether government troops had captured Kungchuling or only entered it was an earlier dispatch from Associated Press Correspondent Tom Masterson in Peiping. He said reports from Central Manchuria indicated the Communists were well prepared to defend the city.

**Moscow Gives Report**  
London, May 21 (AP)—The Moscow radio quoted a Tass report from "reliable sources" today as saying that seven American-piloted planes had been shot down over Manchuria while bombing Chinese Communist forces.

Reports of the downing of the planes followed the withdrawal of Soviet troops from Manchuria, which was completed May 3, the broadcast said.

Fighting which developed between the Communists and Chinese National Government forces after that date revealed that "the Kuomintang troops were equipped with American arms, some of which have fallen into the hands of the people's revolutionary army as trophies," the broadcast declared.

"Great indignation," it added, "has been caused in the ranks of our people's revolutionary army by the fact that seven bombers which bombed troops of the people's Revolutionary Army and were shot down proved to be American. The pilots also proved to be Americans."

**No Intimidation Given**  
There has been no intimidation recently from China of any American-piloted planes operating over Manchuria except as reports for American observers or for troops teams composed of American, Chinese Government and Communist members.

U. S. Army and Marine generals in the China theatre repeatedly have denied that U. S. pilots were flying any but peaceful missions.

## Wittek Awaits Action Of Jury on Gun Count

Arraigned before Justice of the Peace Percy Bush on a charge of discharging a gun at a person, Anthony John Wittek, 23, of Eddyville, waived examination yesterday and was released on bail pending a hearing before the grand jury.

Wittek was arrested yesterday on charges preferred by William Sheridan, stepfather of Raymond Higgs, 12, of Eddyville, who was injured Sunday when a bullet fired from Wittek's rifle allegedly ricocheted from a roadway and struck Higgs' leg. The youngster is receiving treatment at the Kingston Hospital.

## Diplomats Look For Vital Rulings

at the head of the Adriatic? Some officials here say that Trieste evidently has become a symbol of Russia's ability to deliver the goods for a friendly Communist government.

Initial objections to the proposal by Secretary of State Byrnes for a 25-year four-power German control pact or will uphold Molotov's objections to making such an agreement?

There still was some feeling on Capitol Hill that the best way to deal with such issues would be another "Big Three" or even a "Big Two" conference.

These conference proposals, however, aroused few seconding voices and no official encouragement at the present time.

In the opinion of persons familiar with the recessed negotiations of the "Big Four" at Paris, the thing most likely to force Russia's hand is Byrnes' announced intention to take the whole problem of European peace-making into the United Nations general assembly unless the big powers quickly get together.

The basic American timetable calls for a European peace conference this summer prior to the general assembly's September meeting in New York.

So it sums up to this. By announcing he is ready to bring the U.N. into the picture if necessary, Byrnes in effect has told Russia that the United States intends to make only one more try at peace-making by the big powers alone. And that kind of peace-making has dominated Russia's approach to all postwar problems.

## Labor Federation To Ask Governor Act at Rochester

**Fifty-four Arrests Are Reported, Services Disrupted by Dispute**

Rochester, N. Y., May 22 (AP)—The State Federation of Labor says it will ask Governor Dewey to intervene in a week-old dispute between the city administration and former municipal employees which has disrupted most of Rochester's public works department services and resulted in 54 arrests.

Harold C. Hanover, secretary-treasurer of the federation, said in Albany yesterday, the state organization would ask the governor to intercede and local union leaders appealed for a general "sympathetic strike."

At the same time, Hanover and Thomas Murray, state president of the federation, asked the city to reinstate 489 public works employees whose jobs were abolished last Wednesday.

Hanover said Murray was attempting to confer with Dewey to ask him to tell Rochester officials that their "attitude is off base and that the municipal employees should be allowed to work and organize freely."

Police arrested 54 men yesterday, most of them former city workers, after they had assembled near the main public works department garage.

Police Chief Henry Copenhagen said the men "hollered and hoed" at crews manning garbage trucks which moved from the garage for the first time since last Thursday.

Those arrested, including three union leaders, were charged with disorderly conduct. Police said they had assembled on a public street and refused to move when requested. Union leaders declared the group had gathered on public property which it had permission to use.

City Manager Louis B. Cartwright, who had announced Monday that the 489 abolished jobs had been "re-created" said 233 former employees had answered a call to return to work yesterday.

The first rowing race held in the United States was in 1811.

## Lines Are Established

Elmont, N. Y., May 22 (AP)—A.F.L. employees at Belmont race track established picket lines at the track gates today in a jurisdictional dispute which union leaders said was a protest against working "side by side with members of a company union." The first A.F.L. men to report were 13 members of the International Brotherhood of Electrical Workers. They stopped at the picket line, and only two of them were

### DIES IN CRASH

W.A.C. Lt. Mary E. Bond of Newton, Pa. (above) was one of five Army personnel killed when the plane bearing them hit the Bank of Manhattan Company building in New York city.

### VICTIMS OF SKYSCRAPER-PLANE CRASH

Fatally injured when their Army C-45 crashed into the Bank of Manhattan Company building, New York city, at the 58th floor were Lt. Robert L. Stevenson, 25, of New York (top left); Capt. Tom L. Hall, 29, of Austin, Tex. (top right); Lt. Angelo A. Ross, 28, Whitehall, N. Y. (lower left); and Maj. Mansel R. Campbell, 27, pilot, of Pontiac, Mich. (lower right). Captain Hall was investigating officer in the earlier crash of an Army plane into the Empire State building. A W.A.C. lieutenant, Mary E. Bond of Newton, Pa., fifth member of the crew, also was killed.

self was coasting to nomination for a U. S. Senate seat. He defeated Mrs. Elizabeth Parkhill Jordan, 57-year-old Pittsburgh grandmother and housewife, who had run independently.

Martin goes now into an all-out November election battle with two-term Senator Joseph F. Guffy, unopposed on the Democratic ballot. The governor has been mentioned frequently in various quarters, notably by Pennsylvania G.O.P. National Committeeman G. Mason Owlett, as a potential Republican nominee for president in 1948.

The Democratic ticket includes State Senator John H. Dent of Jeannette for lieutenant governor and Al Schmid, blind marine hero, for secretary of internal affairs. Livingston who seeks a third term as secretary of internal affairs from J. Calvin Frank, former Harrisburg councilman and one-time college athlete star. Strickler defeated John R. Cadwallader of Meadville, an independent.

## Hirohito Pleads For Co-operation

Tokyo, May 22 (AP)—Emperor Hirohito today invested Japan's third post-war cabinet, and Premier Shigeru Yoshida pleaded for co-operation between the Japanese government and people "to save the nation by their own united efforts."

Yoshida said the new government is determined to dispose of a variety of critical problems facing the nation and "will boldly proceed with the execution of policies which are already thorough-going in character and scope." The task may not proceed smoothly, the premier acknowledged in a statement and explained "unfortunately, so far I have not been able to obtain positive support of other parties." Left-wing factions stubbornly have opposed both Yoshida and his cabinet appointees.
